'No Pretense Here'

Most people live busy lives, preoccupied with the 'next' thing on their *to do* list. Important things; necessary things; but probably not things that will dramatically impact their future.

This month's article will. It's controversial. I know you're thinking - *they all are!* But this one more than most. My objective is to aid readers in understanding current events and how they will impact us.

Proverbs teaches us that knowledge is 'what'; wisdom is 'how' to use that knowledge & understanding is 'why' - or what helps it all make sense. It says, 'Get knowledge, & get wisdom, but in all your getting, get understanding.'¹ 'Why' is important! Without knowledge tho, the engine is **powerless**.

Americans are too patient with a *little bit of evil*. We simply don't resist... Good people are clearly told to hate evil.² That's *both* the Old and New Testament. King David even wrote about wickedness in Psalm 36 and ended his description with the declaration, "he (the wicked) no longer hates evil." The New Testament says we should "abhor" evil.³

Christians especially often turn the other way in the face of evil...choosing to avoid conflict..That's why it's *always been* about "If MY people repent..."⁴ Don't be spineless!

If indeed these are the last days—as many believe—we are watching God's plans unfold before our eyes! Is it any wonder the Apostle Paul said "the Spirit expressly says *in the latter days*, perilous times shall come?"⁵ More, he said people would depart from the faith, giving heed to doctrines of demons (*What?*) *falling away from the faith*.⁶ Do you suppose these are *spineless* here; not standing for truth?

Real worship & fellowship with true believers couldn't be sweeter... But Paul also said, folks would "have the appearance of Godliness but deny its power. Avoid such people."⁷ The widely accepted sign of *godliness* today? Church attendance! He's describing *churchgoers*

Much, much scripture warns of false brethren.⁸ We must beware of this aspect, exposing it...rather than "*patient*" with it! ⁹ Signs everywhere now are saying deception prevails!

A prevailing deception is the Affordable Care Act. Historically, God gives people the *leadership* they deserve. America has been split 50/50 for decades. Clearly, half want nothing of God. Half prefer more traditional values... yet have remained largely silent - 3 out 4 believers don't even bother to vote!

The ACA* act is not about healthcare! Some call it Obamacare. It matters not. The issue is not about people... but the current scenario playing out

The troublesome rollout of this plan's website further adds to the foreboding of the future of our economy! Don't you wonder *why?* Could it be, when Congress failed to

act on our behalf that *God Himself intervened?* ...that He heard His people's prayers..? That He wants to spare our nation the horrid consequences of ACA?

The 2600 pages proudly unread by members of Congress detail a horror story beyond words. It is a framework whose details rob Americans of every right they cherish. Please hear me! It's no conspiracy theory. It's real - *Hidden* in plain sight, inside this bill...!

Space doesn't permit even touching upon this topic. But bright minds have read the bill and find couched within its pages these facts: Dept- of HomelandSecurity and TransportationSecurityAdm powers grossly expanded to include; A domestic armed militia, REAL Death Panels revealed by RealClearPolitics, 11/26/13 Greatest tax hike in history- (20+ kinds); Payoffs to congress members (*just revealed*;) First Responders with armored vehicles from Iraq = a Police State, HHS given powers over every aspect of our lives including bank accounts; FEMA is given expanded powers including mass camps already built to house those who oppose gov't authority (one in MY hometown!); expansion of presidential powers to take over transportation, oil, energy, food, communications - even the internet.. All that's needed is a *good crisis!*

The U.S. is leading the world toward all things *global*—one world economy, one world government, and one world *religion*. Don't worry... God owns the Master Plan! Read the **back page**, to see how to be on the winning team!

Discover Your True Self RainDancing101.com Cont.'d -Page 2

No one ever mentions Billy Graham's mother, yet she gave birth to ONE who would change the world. *Her* influence remains today...

I saw on Facebook this week this statement: - Life is an opportunity-*benefit from it*. Life is beauty-*admire it*. Life is a dream-*realize it*.

How many do that? Do you? Every day is a choice. We can Endure life....or we can Embrace it! Which do you...?

"**Selfie**" has been named the global **word** of the year by Oxford Dictionaries. It comes from people who take pictures of themselves on cell phones - necessarily close up - often posting them online.

None of this surprises me, because scripture tells us that in end times, there will be lots of 'love'-lovers of **self**, lovers of money. lovers of pleasure.

but not *loving good* and *not loving God*!10 ...I call it "no good love!" But, "Every good gift comes down from the Father of spirits."11 Real LOVE is borne from heaven! All other is **selfish**... But, is God *your* Father? Have you been born *of the Spirit*? John 3:3-5 says you must be born twice. Read it yourself.

American leaders have made their plans clear yet we remain comatose! So *what*? Do we further shrivel up? Or do we have the *courage* to face the realities of our time?

So. we must *daily* seize life's goodness, emphasize the positive, and take a stand against wrong where we find it... get out of **ourselves** and...

Discover People! Some are *wonderful*! Some are not! Engage the former... pray for the latter -they're hurting...!

Discover Life! There's never been a better time to be alive! It's a time of passion & excitement! *You can do great things*, even if it's for ONE neighbor..ONE stranger!

Discover Real LOVE. It's MORE than you think! If we so love here on earth, *is it not a window to see God's great love for us?* He told us if we love one another, we would see *His face* in each other! Have YOU done that? You will be amazed & excited ...once you let God out of that box you have Him in! His love is deeply personal; He has a plan & place for *you!* He is tender & attentive. ASK Him to *reveal* His Love!

The best part is what my friend Sheila says: "His is a love that keeps no record of wrongs." That's a true friend! You need a Friend like that...

Your Epiphany - A Grateful Heart

Dear Agatha: My husband & I have two precious toddlers. As a stay-at-home mom, I watch a lot of TV while minding them. But I get so depressed watching current events, it makes me wonder why anyone would even bring a baby into this violent world! How can I be hopeful for my babies or even for myself when things look so gloomy? What can I say to encourage or raise them right in this climate of corruption, racism & amoral behavior? **Amy**

Dear Amy: Your question is on many minds, Dear One! So, I have good news and bad news for you! The bad news is, it's only going to get worse! You don't say if you are a believer Amy-but I hope so, for your little ones' sake...

because that's the only real hope there is in this world! Otherwise we are like *pawns*, tossed about by events & circumstances, powerless. *Knowledge is still 'power'* & it's the key to yours & your babies' future. Yes.

Why *worse*...?? Because Jesus said so - 'As it was in Noah's day (Lot's too!), so shall it be in the last days...'12 How was it then? 'The whole earth was filled with violence!' 13 Seeds of violence are breaking forth in the entire earth! Here in America too.

The good news is this: 'Every good...gift comes down from the Father of spirits' Your babies are gifts & God is the Giver! He values them. Truly, if God isn't good, there IS no good in this world. Set your hope in *Him*!

You wish you had a guideline? He already gave you a **guidebook** - the Word! Jesus became flesh to reveal God to us!. To accept our sins on the cross. Then -He sent the Holy Spirit to teach, guide & comfort us & reveal God's plan to us! He *waits* to aid you - so permit Him! You don't understand Him? *If we could understand God He would be no greater than we.* Walk in what you Do know!

Accomplishments & stuff will be shallow in real crises! Beauty remains in - creation, good people, books & arts. Be thankful! It's never too late to do the right thing. So, teach your children right & to love truth so they will reject the lies of the devil! 14 They will rise up strong and call you blessed...! 15
