Avoid. Such. People.

This beautiful photo to the left was posted on Facebook by a man who liked the sign about God's beautiful handiwork. His final comment was, "I love our Appalachian Mountains."

I love their uniqueness & have been there many times. But, I must inform this gentleman... they are no longer "ours". They belong to the world! If you find this shocking, you have a right to be upset! But this is nothing new. It has been in the 'works' for decades now.

If you take a look at the map at lower left corner, you can see much of our nation – and national parks - have been gobbled up by the feds. *That* aspect **is** fairly recent. They then conveyed it to UN.

This article will likely make you mad, but I want you to realize how America's lost its sovereignty - death by a thousand cuts. Search online at RenewAmerica.com to validate info-Insert 'biosphere reserve.' And elsewhere.

Yellowstone Park, Grand Canyon, Independence Hall, Monticello, & Statue of Liberty are all controlled by the United Nations. They are national & historic treasures that have been named a 'World Heritage Site' by UN, officially UNESCO in Paris, France whose worldwide scope covers the entire earth and a dozen other U.S. sites.

It's part of the 'biosphere reserve' for humanity's sake. And the plaque at entry of the Great Smokies even says so!

This designation allows for foreign entities to use and inhabit such sites. I saw a video that said Russians now control portions of the Smokies, and that is also said of Fort Carson, Colorado.

These sites are said to have "outstanding universal value as part of our common world heritage" per Renew America.com

All that gobblygook simply means OneWorldOrder is here, where an economic, social and religious system will soon be in place. The Pope is working quickly to arrange polytheism (many gods) in the world, visiting a mosque in Istanbul this week, where he shed his shoes, and bowed toward Mecca.

Early last year, he hosted many world evangelists (mostly charismatic) who visited Rome to merge with him under the banner of unity. It's counterfeit unity from a counterfeit church! Never mind wars & rumors of wars, or earthquakes. But, when you hear them say *peace and safety* – Hide!

Can I remind you that Christians weren't thrown to the lions in Rome because they believed in God. No! They believed in **One** God...

There's not a lot any of us can do about the above info, which started in 1968 and confirmed with a Treaty in 1972...except pull up our big girl/boy pants - and face the fact we are in Endtimes and God is in charge. He still sits on the throne, He reigns & we need to 'get with the program' The Day of the Lord is near and all things are falling together to bring it to pass!

The only 'safe' place is in the will of God. But He has a *Safe Harbor* from the storms

that are coming, and that is the **church**.¹ But there's a caveat. Many, even most, of them have drifted so far from scripture, they are counterfeit. "They profess to know God but they deny Him by their works."² This is compounded by pew-sitters who know little of scripture, and are easily deceived by false teaching.

But it's not with lies - just half-truths and mere words. That is one way to know they're false, for "the Kingdom of God is **not** in word, but in power."³ That power isn't just in signs & wonders (they too can be false)..... It's in *changed lives!* That's the surest evidence!

False teachers 'entice unsteady souls' and "the ignorant & unstable twist scripture to their own destruction..."⁴ "Take care you are not carried with the error of lawless people & lose your own stability. But *grow in the grace & knowledge of Jesus Christ*."⁵ "**Avoid** irreverent babblers, among them are Hymenaeus & Philetus." Paul named offenders here in II Timothy 2:17, so don't be afraid to do so! (John too) They used them as negative examples.

"Watch out for those who cause divisions & create obstacles contrary to the doctrine...**Avoid** them!"⁸

A major error floating around in believers' circles is that we must love everyone! Not according to my Bible! We are to be **holy**! Everyone is not your assignment. Jesus said when folks get offended, "**Let Them Alone**."⁹ Don't be distracted from your mission!

'The whole earth is filled with darkness.'¹⁰ WHAT then? God answered there! He said, **YOU Shine!** "Let your light **SO** shine that all men shall see your good works & glorify your Father..."¹¹ Gird up your loins Friends!† God waits.

Do you know why Donald Trump is so loathesome to the powerful - but so popular with the people? It’s because candidates are ‘selected’ not ‘elected!’ But this time, the appletart has been upended and the *people* have spoken loudly, because Trump doesn’t belong to anyone!

Powerbrokers can’t have that! He isn’t playing by *their* rules, and like him or not... so far he’s winning.

In that mix, we find the mainstream media. But even the powerful FoxNews network only got their darling child, Marco Rubio, **one** state in the Super Tuesday elections. And *that* one was one of our most left leaning states – democratic Minnesota!

That’s a telling event .

The media doesn’t report real news anymore ...it doesn’t fit their agenda of controlling the populace. Four moguls are at the head of most every news source in the U.S. That’s why you never hear stories like these!

The greatest manipulator of public opinion is TV. It is notable that the word ‘think’ is musio in Greek. So when we come home from a long day, we seek **amusement**. When the ‘a’ is before the Greek word for think, it means **not-to-think!** Our brain, perhaps our will, goes into neutral. So we’re being programmed to think-in passive mode.

When you watch TV, they are *telling you a vision-theirs!* It’s canned. **BEWARE!** They know how to pull your strings. – And if you have a goat, the *devil knows how to get it*, Friend, often appealing to

our baser elements thru *entertainment*. Don’t fall for it!

Now comes virtual reality, the cutting edge of programming. Watch out - it’s manipulation *on steroids!* Video games too! To ‘drink the wine of violence’ is to be groomed for the antichrist! So, avoid certain **people**, and monitor certain **info** before it enters your mind!

Why did God tell Israel in the OT to avoid those who didn’t adopt their ways, culturally? God knew human weakness! It would be Israel who adopted *theirs!* It’s pure *weakness* to cajole them...

Psalm One tells **who** is blessed. Take care how you Walk, Stand, Sit & with *whom!* Ps. 97:10 & Prov. 8:14 instructs us to hate evil! Imitate Jesus, Who “loved righteousness and hated iniquity.”¹² What do **you** hate?

America’s Mess:
Calling evil good &

Step Out Of The ‘Herd’

Dear Agatha: Hi. We’ve been having an ongoing discussion in our Bible Study as to what Paul means when he tells Timothy, that some people ‘have the form of godliness but deny the power thereof.’¹³ What does that mean? I haven’t heard any explanations that satisfy me. Can you help me? **Sarah**

Dear Sarah: This passage brings up the title of this newsletter in my ESV Bible! It says - Avoid. Such. People.

Let’s dissect this sentence. Paul is describing a behavior. a ‘form of godliness.’ What would be our neighbors description of us as ‘godly.’ Church attendance would likely be their first comment. So these folks go to church... but somehow lack power? No. It doesn’t say ‘lack’ here. It says they *deny* it! That’s a

pretty strong verb. In Greek, it means to ‘**disavow, reject, deny, refuse; to contradict.**’

Many churches today reject the work and power of the Holy Spirit, tho entire chapters are devoted to His work!¹⁴ He is indeed part of the Godhead - who are **we** to deny Him?¹⁵

That word power in this passage is the very same word given in Acts 1:8 where Jesus promised, “You shall receive power...” Dunamis, from which ‘dynamite & dynamic’ is derived. And at Pentecost, they got it. Jesus said He would not leave His disciples orphans, but would send the Holy Spirit... Are you an orphan, struggling to make it & set things right... without any real **power**...? Your life then, is an exercise in futility! Needlessly, Friend. Totallv at odds with Heb. 4:9.

If you read the passage in depth, it sounds as tho Paul might be describing the endtime church, since he starts out talking about that. The most urgent part of it is all but ignored today. **Avoid Such People.** After all... it is not loving, they say...

The love of God is a much misunderstood topic – *It’s not godly* to embrace people who go by the name ‘Christian’ but reject truth!¹⁶ Whose lives don’t reflect that godliness. God says ‘those who obey not the gospel’ will be judged with sinners!¹⁷

We need to set our minds on things that are honorable and true. We’ve lost a lot of honor this year- “Let marriage be held in honor among **all**, and let the marriage bed be undefiled, for God will judge the immoral & adulterous”¹⁸

“If Hillary is willing to look families of dead Americans in the eyes and lie about how they died, there’s no lie she won’t tell.”

She’s soulless.”
