THE DEVIL IS NOT FIGHTING RELIGION. HE'S TOO SMART FOR THAT. HE IS PRODUCING A COUNTERFEIT CHRISTIANITY, SO MUCH LIKE THE REAL ONE THAT GOOD CHRISTIANS ARE AFRAID TO SPEAK OUT AGAINST IT.

Sometimes people don't want to hear the truth because they don't want their illusions destroyed

## Thy Kingdom Come...

Sec'y John Kerry gave the commencement speech at Northeastern University this month where he told graduates to get ready for a "borderless world." It was a job at Donald Trump's desire for a fence on our borders.

What does Kerry mean by this statement...? As the spokesman for the New World Order that he is, he meant *look for no nation with sovereignty* - their objective!

In early May an event occurred that - *if true* - has blown the lid off shadowy gov't and exposed the entire agenda of globalists...political officials of both parties, bankers, the IMF, the Soros, Brezinski's, Rothschilds, Ted Turner, Brokaw, the Clintons & a multitude of others.

The story was reported by Superstation 95.5 in NYC, & the NY Daily News. It included a very long suicide note, explaining 'why' this 42 year old ICE employee ended his life -unhappy he'd been hired to enforce the law yet was now unable to enforce it at all! He accepted pay twice monthly for doing 'nothing'. *Attempts to discredit the story occurred right after; ICE saying there WAS no note...*

I read and printed the note. His disillusionment was clear, so he revealed what he knew, he said, warning of a worldwide economic collapse for 2016, bank failures, followed by a society breakdown- No food, power or communications. Martial law will be declared to quell the chaos, & all guns confiscated (per Exec order 13603), People will be rounded up to FEMA camps due to social unrest

He also said, there's a federal database of 'preppers' & they will be dealt with first! And feds from every agency have been conducting drills

for riot control, target shooting life-size figures -and told to "get used to it."

More, pastors are being consigned to coax folks to obey what gov't says during crises,\* *using scripture!* For pay! They're called Clergy Response Teams....CRT's.

Now....I have no way of knowing whether this story, or any of it, is true. I'm reporting to you a story you may not have heard. Be your own judge whether it is credible.

What we **do** know is, ICE did announce one of their employees committed suicide at Chelsea Park in NYC, as reported. Other reports say the NYPD gave the suicide note to Superstation 95 & to others. Then denied it.

Another story I noticed is that George Soros recently dumped 37% of his portfolio for gold. *That's not a good sign* to anyone, much less analysts predicting a worldwide economic failure. Some analysts say, looters have sacked the gov't and banks of your money-they're bankrupt- so banks must fail!

This week, there was a 5.1 earthquake....at Yellowstone Park., evacuating it. Quakes and volcanos are going off around the world! It sounds like the warnings Jesus gave that *there would be quakes in 'diverse places' in endtimes.* 1 Not to mention *rumors of wars.*

Those folks who don't think we are in endtimes may be in for a surprise. Soon. Even many believers can't 'go there' in their thinking... because they've *read Revelation!* But REread Matthew 24. Jesus spoke that before Paul had a later revelation about any kind of 'catching up' (rapture). There will be a rapture - 'when' has always been the question. So, hope for the best, but prepare for the worst! 2

God views the world as the 1.) saved, and 2.) unsaved. Between them, He sees the church as *His ambassador of truth to the world.*

So how are we doing...?

Because I've researched such things over years, I can name about 8 major errors floating around what is perceived as the 'church.' It looks like satan is having a heyday...but we know the truth! Jesus will return for a church (organism) that is without spot or blemish.

However, I've wondered lately why it is scripture tells us that "judgment begins with the house of the Lord." 3

A major error was named by Gary Wilkerson (David's son) in his newsletter.. "A terrible practice (is) sweeping thru evangelical churches. Leaders go to great lengths to test God's warnings of judgment. They ask, "Is the warning in this passage compatible with God's love?" If the warning doesn't seem to be tender, gentle or loving, it is written off and ignored... These have created a false Christ. They preach a Jesus who is only about love & not about holiness & justice."

**Another Jesus. What?** you say? Paul warned very smart people this could happen! It's name is *deception.* 4 A **different spirit** and **another gospel** message. He *feared* they would accept them.

The **TRUE gospel** says *without holiness no man shall see God.* 5 During Jesus' ministry -He preached the *Gospel of the Kingdom.* 6 A gospel of love & repentance. All else is 'another gospel' and 'another Jesus!' Let's tell people the real 'good news' ... that God loves them & He loves them too much to leave them that way which is- **whv** He calls us... *disciples!*

1944: 18 yr olds storm Normandy Beach into almost certain death  
2016: 18 yr olds need a safe place cause words hurt their feelings.

Salvation thru Jesus is available to everyone but it's only applied to those who take it. You gotta want it...

A fascinating event occurred with the Apostle Paul in Acts 16. He was busy going about spreading the gospel in Phillipi, when a slave girl began following him around, for "many days."7 It says Paul was grieved during that time – apparently, *not readily able to discern the problem.*

Her words were "these are the men of the Most High God, and they will show you the way of salvation." What's wrong with these words? *Nothing!* Yet Paul was grieved... *something was off.*

Then suddenly Paul saw the problem! *Paul having become greatly annoyed, turned & said to the spirit, "I command you in the name of Jesus Christ to come out of her." And it came out that very hour."*

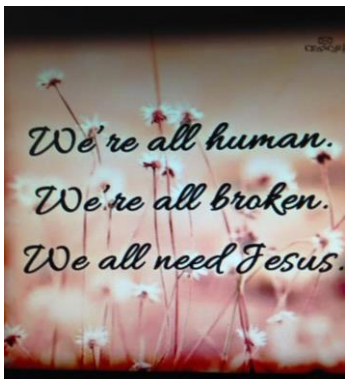

There's nothing wrong with her words. Except. They placed the focus upon Paul & Silas, not upon Jesus! It's very subtle. A **distraction** apart from the direction God wanted! Yet *discerning* kicked in, and Paul saw an evil spirit at work. In the Greek (only time it's used ) the word used for that spirit is "python."

The Oracle of Delphi was a temple where a woman prophesied with a huge python snake around her neck to people who paid her money...divination. The girl used this gift. Her owners had Paul & Silas jailed after.

A python captures its prey, his eyes mesmerizing the victim while the snake winds itself about its body... unknown to the victim until it's crushed! Satan is called "that old serpent, the devil." His work is **Chaos...**

That's also the work of feds in society these days! Surface issues such as transgender bathrooms & LBGT rights aren't the **real** issues! No, **Chaos is!** - the devil's at work! Why? He hates freedom He hates serenity...where we dwell in peace & serve Him freely!

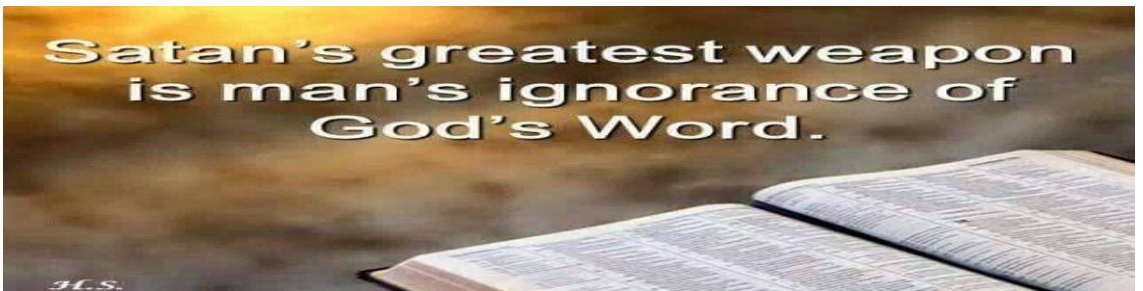

God's gifts given to the church matter! One, the "discerning of spirits" identifies the devil's work. There's little discernment today ...the pc thought police won't permit it. **This is why** the gifts are important - *they introduce the world to the supernatural- to the presence of God - where peace & joy dwell.* When *gifts are absent*, the devil works his chaos freely! Scripture says in the end, people will "have a form of godliness, but deny the power thereof!" THIS is it!

How very true the above caption from Facebook is:

"You do err not knowing the scripture nor the power of the Holy Spirit." Matt. 22:29.

"My people are taken CAPTIVE for lack of knowledge." Isaiah 5:13

Yes..... I used to say on talk radio interviews following 9/11/01, *America's epitaph will be ignorance!* I just had NO idea how right I was, now 12-14 years later!!! Today we excuse every Islamic lie and it's called 'intelligence' by the politically correct thought police! ...NOT.

We're giving ourselves into the enemy's arms by adopting their ways & culture - and we know what those arms do - and to Christians FIRST. And to Christians' children before their EYES~

SILENCE IS CONSENT, said a man who died for 'principle' - Dietrich Bonhoeffer. Principles MATTER. That's why Eccl. 3:1-4 says there IS A TIME FOR WAR!

This week we had students in Oregon (Idiot Mecca) lying down in protest that police carry guns!

My prayer is that these words will NEVER come back to you one day...!!!!
