Thank You for my summer break. I richly enjoyed it!!

The fear of the Lord is the beginning of knowledge. But the foolish despise wisdom and instruction. Prov. 1:7

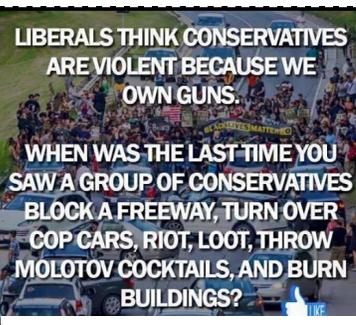

**Heaven:
Don't miss it for the world.**

For it is the will of God that by *doing right* you put to silence the ignorance of foolish men. 1 Pet. 2:15

"Why Do The Heathen Rage?"

Billy Graham points out wherever the gospel has gone in the earth, *civilization* has followed, even women's rights. From aborigines to cannibals in the jungle, this is true. A book I'm reading now, titled *5000 Arrows* tells of missionaries who took the gospel message to cannibals in Papa New Guinea! Soon these converts helped this couple to minister; they saw new *benefits* had come!1

So, if bringing God **into** people's lives civilizes them, then does taking God **out** uncivilize them? Chaos in our city streets reveal this truth.

What **is** a heathen? We don't hear that term in our pc world but that doesn't bother God...He calls a spade the shovel it is. Jesus did too!2 God even calls those who fail to heed instruction - *stupid*.3

The Oxford Dictionary says a heathen is someone who is 'uncivilized and without religious ties.' Hmmm...

The above question has been on my mind, in light of the Milwaukee riots, (plus police shootings.) A black gun-wielding thug was shot by a black cop - so the city went wild with rioting, looting, burning cop cars, & stores *in their own neighborhood!* For every thug involved in rioting, 100's more residents just want to live, work & send their kids to school safely.

In Chicago, there are 150,000 gang members and only 13,000 police - that's 10 to 1 and it's **why** almost 3000 people have been killed so far this year - despite strict gun laws in that city!

The unemployment of young blacks age 18-35 is 50%! There's no need to appear at work, or to school either, since dropout rates are 60-75% in some cities. Progressives' policies have put most poverty-stricken

cities in turmoil, such as Detroit-Chicago-Baltimore.

People today, especially youth, have few 'religious ties' God has been kicked out of schools, government & the public square! He's. Not. Important! Or Welcome. Nor is human life valued-The U.S. aborts 3000 of babies a day...a lot of these are black!

Generally, people rage because they have no HOPE. Poverty breeds hopelessness. Where do those *high school dropouts* go? Answer? - To prison, of course! It's a downward spiral of more hopelessness! 70% of prison population come from fatherless homes.

Conversely, a child psychiatrist did a survey of reform schools & prisons. He found that *few* of them who'd had the opportunity to study music, singing or played a musical instrument - were to be found in those institutions!

So what DO people value? A Facebook post said since 'shop classes' were taken out of schools, kids today don't dream to *build* something. They dream to *buy* something. Games-cells-ipods-wii-drugs!

Culture died years ago, when Music Appreciation did in schools, and Band, PE, & now even Recess... Decades ago, beauty courses, auto shop taught youth a vocation equipping them for the future!

Yet today, making time for endless tests is more urgent and Sex Education starts in Kindergarten now, dispensing those bowls of condoms in Counselor's offices & trips to abortion clinics when needed, all lewd & sensual objectives!

Refinement is now pass'e, replaced with ill manners.

There **are** good teachers! But more of them than not are inferior - as shown by the fact 29 nations out-performed the U.S. in math; 22 nations

in science for year 2012. We used to be Number One...!

Critical thinking/deductive reasoning aren't taught in academic circles because it would mean *thinking* and speaking the truth!That might hurt someone's feelings...!

Ideas grow in the garden of the mind, yet too many youth minds remain virgin soil! Uninspired. Unstimulated. Unsummoned to a higher realm, like honor or valor! Abandoned to a life of mediocrity...& sensuousness. Parents can't help - Sadly, *they're often products of it too*

God called Israel's rebellion *whoredoms*. "Return to Me, He said, & I'll **Restore** you."4

The worst whoredoms committed in America are against her children. That's *if* they survive abortion! Graduates can't read, most needing remedial classes to enter college -true in most every college in U.S.!

How to restore? Start with youth: Get them out of *Public* school! Then, 5 important words. **Let it begin with me!**

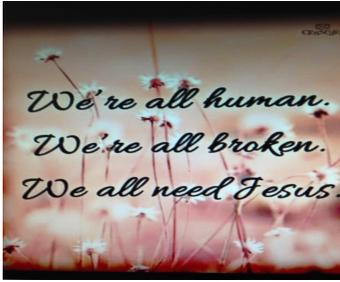

We each must turn back to God, and **...Restore** faith in God and His Word - His truth still makes people FREE...!

God's Word is essential **to the renewing of minds**.5 *Restoration begins there.* Scripture says "None says RESTORE..." But restoration is a part of endtime prophecy!6 So I'm declaring it! A former abused runaway street kid, I'm living proof that God's word transforms and it "makes wise the simple."5

America is now equally ripe for rampage or a true renewal! We are about 50-50 conservative vs. liberal - so it can go either way! It all depends on You! (See Back.) Racism, jihadists, & economics threaten us. *No one can do everything. But everybody can do something!*
The operative word is **NO!**

I've read the final chapter

God Wins

1944: 18 yr olds storm Normandy Beach into almost certain death
2016: 18 yr olds need a 'safe place' cause words hurt their feelings.

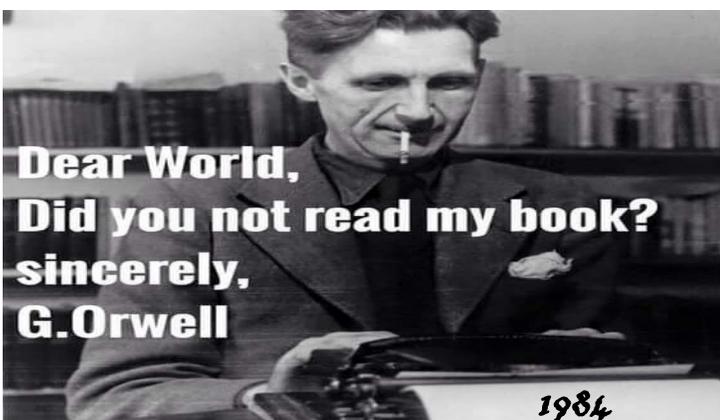

Salvation thru Jesus is available to everyone but it's only applied to those who take it. You gotta want it...
Invite Him in today!

JESUS
THE NAME THAT IS ABOVE EVERY Name.

Consider the kindness & severity of God. Rom. 11:22
Consider people you know may go to hell, and in 1000 yrs may still be screaming, "Why didn't you tell me of this place!" Col. 1:28 No...!

God's hardwired us for power.
But it's prayer that flips the switch.
James 5:16

'Something' Right....

The man who died yesterday, had plans for last night. The woman who died last night had plans for this morning. Tomorrow isn't promised to us.

We have today.

In my estimation, the future of our nation lies in the hands of those who call themselves believers. Never mind the media, talking heads, or liberals.

And it always has. Why?

Because the largest political block in our nation is Christians, with 80-90 million who at least adhere to conservative principles.

Problem. In 2012, 3 out of 4 of them were 'no shows' at the polls, thus forfeiting the election to progressives! More, their silence over decades has brought our dear nation to its present state of affairs...

Dietrich Bonhoeffer said, Silence is Consent. Why? Because silence tolerates evil! Believers are admonished to hate evil – in both in the Old and New Testament! The result of this silence, is that evil has flourished.

I'm going to tell you something Jesus already knows, so I don't mind saying it! This silence from the church is perceived by all - as feckless! The world views the church as anemic; impotent. A tiny voice in matters where people live!

'Feckless' is defined as "lacking initiative or strength of character; irresponsible."

Is this how people in the church would describe themselves? Of. Course. Not. It is no less true – too many are so heavenly minded, they're no earthly good! 7 Are you one of these...?

When Jesus said we are to 'occupy til I come', He was speaking of the EARTH...! You are here to challenge the status quo, just like Jesus! Who else is going to hold back encroaching darkness?

I saw where a Maryland school will now allow boys to sleep with girls on field trips- no note from home needed! (This is social engineering – not education!) So what would you do, Parent?

Know that God doesn't expect you to change the world! But you're responsible for changing yours – It's your arena, Dear Friend. This is war, so it's your turf to protect! Politics is interested in you! So vote on the side of Right! For Law & Order; against chaotic immigration & corrupt politics! Do not tolerate evil! Call & write your congressman! Else we die...!

Satan's greatest weapon is man's ignorance of God's Word.

How very TRUE this is:

"You do ERR, not knowing the scripture nor the power of the Holy Spirit." Matt. 22:29.

"My people are DESTROYED for lack of knowledge." Hos. 4:6

"My people are taken CAPTIVE for lack of knowledge." Isaiah 5:13

Hosea 7:8,14 My people ... mingle with godless foreigners, picking up their evil ways. Now they have become as worthless as a half-baked cake! They do not cry out to me with sincere hearts.

Yes....When doing talk radio interviews following 9/11/01 I said, "America's epitaph will be ignorance!" I just had NO idea how right I was then...now 14 years later!!! Today we excuse every Islamic lie and the politically correct crowd calls it intelligence! It's pseudo-intelligence! Worse-glorified ignorance!

People give ourselves into the enemy's arms by adopting their ways & culture - and we know what those arms do - and to Christians FIRST. And to Christians' children before their EYES~ 82% of Iraqi Christians are now gone or dead. SILENCE IS CONSENT, said Dietrich Bonhoeffer. Our Silence is TOLERANCE of evil! Principles MATTER. That's why Eccl. 3:1-4 says there IS A TIME FOR WAR!

It's not about immigration anymore – It's about invasion and they openly declare it! I've lived with a Muslim! My prayer is these words NEVER come back to you one day! Dread the day you huddle around your children to tell them how America used to be! Pray against evil. Make your voice heard today while there is still time! Write, Call, Speak Up, Vote, Bloom where you ARE! Don't wait...!

...I HOPE THIS ARTICLE MAKES YOU AND ALL WHO READ IT - MAD as HELL!! Sharon Jackson
