**Watch
Your
Words**

The CLOCK Is Ticking Murder...!

Times are critical today!
Jesus chastised people who
could predict the weather, but
didn't know the times they
lived in, nor the times of their
visitation. He's asking us –
What does **your** watch say?

I was a 'war baby' born
during WWII, so I'm familiar
with warfare. There was war
in my home from birth up,
with shattered ashtrays and
broken ribs and broken china
dolls. But this prepared me
for the Global warfare –
between light & darkness!1

Average people will
diminish this war that is
waged daily in the spiritual
realm. It can seem distant &
unreal. But when we open
our eyes to the brokenness &
sorrow on our streets & in our
cities, it becomes more real –
That is... if we live in a world
that isn't just 'all about me.'

In fact, there have been
new developments in this
warfare...toxic developments.
Daily headlines confirm what
the Bible predicts about end
times. Hatred is prolific
against 'good.' Take Israel,
for example. No nation has
benefited the world more
than her – on the cutting
edge of witty inventions and
technology that changes our
daily lives. Starbucks owners
hate Israel, yet the computer
chip used in all their cash
registers was developed in
Israel. Presently, Israeli
scientists have developed a
way to treat Alzheimers... all
mice treated were healed!

Recent discovery of
natural gas off Israel's coast
is so huge it's named
Leviathan. Oil has been
discovered too, making the
spoils of war even more
enticing to those who hate
her! She is surrounded by 55
nations who want her taken
down and utterly destroyed,
including Russia & Iran.

The entire world has grown
more toxic, even visceral,
where hatred seems to
prevail in politics, world
media, Hollywood, democrats
& federal bureaucrats, rinos &
the intelligence community.
This hatred is aimed in arch
rebellion at leadership!

Sweden is now declared
the new rape capital of the
world, South Africa's society -
*where the Salk Vaccine was
first developed* – is mayhem
& disintegrating, sub
Saharan nations fight bloody
civil wars, Venezuela nears
famine. Europe has millions
of new illegals who are raping
and destroying whole towns &
cities, North Korea is now
threatening attacks on USA !

– *What time is it...?*

It's a new era, that's what!
We have entered an *era of
lawlessness*, and nothing
predicts the time of the end
moreso! The **man** of
lawlessness will soon follow!
The table is now being set for
his appearance to mankind.

But who among us is able
to raise a standard against
such lies, death & violence?

Well...there **is** the church.
But she too, has entered into
a new era, *falling away* from
the truth that's guided her for
centuries.2Her voice's muted!

But! There always has
been– and is **now** – a remnant
among mankind, whose heart
is sold out to God & His truth!
These shine to God & man,
among dead men walking in
this world!3 Their message
illuminates the path of light &
truth to hungry hearts & souls.

The politics of personal
destruction is now set against
all who stand for truth. Vicious
hatred is now proclaimed by
enemies of God. **It. Is. War.**4
Don't doubt it! It's now okay to
destroy people who don't
think like you. And soon it will
be turned upon *believers*.5

“Death & Life are in the
power of the tongue, and
those who love it, will eat its
fruits.” Prov.18:21 Why?
Because our very lives are
framed with words and our
words are forged from
thoughts! In that sense, you
can & will eat your words!

This begins with **thoughts**
that are soon *articulated into
words*. Next comes **acting
out**. This is why we're told to
guard our hearts (the seat of
thoughts) with all diligence!

This cycle is true in our own
life. Also in society! – The
volatile rhetoric we witness
will soon bring **VIOLENCE!**
Hatred is in the air, & is the
same as **murder** in scripture!

Scripture affirms we are
near the end, saying 'As it
was in Noah's day, so shall it
be in the days of the coming
of the Son of Man.' *How was
it then?* “Violence filled the
whole earth” and “the
imagination of men was only
evil continually.” It will only
get worse - no matter who our
leaders are! It's an era! *Can
they quell this vocal hatred...?*

A man told of a friend & his
wife who were awakened at
midnight by police, to come
get their 16 year old son at
the police station. They're
shocked -he was raised in
church but faced a felony
charge. Picking him up, they
asked **why** - *He didn't know*

His parents discovered,
that though he'd been in
church all his life, no one had
told him he had an *adversary*
– the devil - whose goal was
not to take him down, but take
him *out!*6 We do have an
adversary & this true story
reveals the unseen war of
light vs darkness! Is the devil
'personal' to YOU? *You are
to him!* Keys mean ownership
& dominion - Jesus gave us
His! They can safeguard your
family. See Back 4 More

When an American Embassy is established overseas, the U.S.A. actually owns the plot of ground it is built upon. A postage stamp size of ground that represents all of the power & authority of the USA. The ambassador is appointed, (sent) a representative of the USA.

The Apostle Paul uses this same analogy. "We are ambassadors for Christ..."⁷ (empowered with the message of reconciliation-of *another* Kingdom). We each have a 'sphere' - an arena - we are assigned- to pray for, to be a messenger & to learn how to serve.

. As ambassadors, we are not left without authority of that Kingdom. Jesus said, "I will give you the Keys to the Kingdom -whatever you bind on earth shall be bound in heaven, and

whatever you loose on earth shall be loosed in heaven."⁸

Did you know He said this?

These Keys bring a portion of heaven to earth, Friends! "Thy Kingdom **come**, thy will be **done**, on earth as it **is** in heaven"⁹ Luke 4:16 describes Jesus' mission (which ought to describe OUR mission) to set the captives free, in our arena.

You'll need your Keys!

It does take a lot of power -tho it's **HIS** - but it doesn't require a lot of faith - "Only Believe" a mustard seed's will do! You can't bind all the evil in the world, but you can bind it in **your** world and over your own family! Loose His joy!

Jesus often said, *According to your faith, be it unto you.*¹⁰

We can **bind & loose** when we've learned to **walk uprightly & to forgive!**¹¹ And to please God & keep His commandments.¹²

When Jesus arose from the dead, He talked about His authority¹³ - reclaimed for mankind after Adam relinquished it in the Garden! *Why did the devil offer Jesus kingdoms of the earth in His temptation?*¹⁴ They were his to give! But no more! Jesus took the Keys away from him signifying new ownership - in our behalf!¹⁵ We must know, "It is not by (our) might nor by (our) power, but by My Spirit says the LORD."¹⁶

A Centurion (over 100 men) asked Jesus to heal a trusted servant.¹⁷ Jesus said "I will come." He said No, he felt unworthy, explaining he was a man under authority. His authority permitted him to merely **say the word** & it got done! Jesus said 'with no one in Israel have I found such faith.'"Why? He 'got' authority!

Jesus said 'Let it be done as you have believed.' It was!

Take 'em Away!

Dear Agatha: I'm concerned about controversies found in scripture. I don't know how to answer doubters (or scoffers) when they bring them up. One that particularly concerns me is the one in Mark 16 that says believers can handle serpents. Can you address this subject for me. **Ann.**

Dear Ann: This topic is like the elephant in the room in any discussion of dissent! So I'm glad you asked.

A pseudo-intellectual pastor taught from the Greek, that Mary was not necessarily a "virgin". So I decided to study Greek. I know enough to be dangerous... but I can read it!

There are a lot of smart people who are ignorant of scriptures. Often they occupy a pulpit too. Thank God for

the *Real People of God* who know and Love His Word! They're more than wonderful! The Bible says that fake believers are usually inside churchsitting next to *you*?

Peter says these twist the scriptures...True. And, on account of these, the gospel is evil spoken of-KJ. ¹⁸

The Greek in Mark 16 translates in English, "take up" serpents. Bad translation! It actually is better translated in Greek, 'take away.' A HUGE difference, but is much in controversy meantime.

Luke 10:19 and Psalm 91 & elsewhere convey the idea of our authority over serpents - which do symbolize evil! *Treading upon*, as in dominion. Apostle Paul was bitten, but unaffected by a

poisonous snake in Acts.

In recent years, the most famous snake-handler in Ky died... of snakebite! Now his son romances the same snake. Insanity, this!

How can such heresy thrive? Jesus explained, it's ignorance! "You do err because you know not the (1)scripture, nor (2) the power of God." *But, there's another side of this!* If we keep His commandments, walk in forgiveness, and do what pleases Him, He hears **and answers** us!

We can influence others because of Who God is! We know people in *high* places! We **can** affect the progress of evil in people's lives, when we stand against it, in Jesus' Name!
