When Was America “GREAT...?”

Over the eight years (in April) that I've written these newsletters, I view this one as the **most important**, because this topic *matters*! To me, my precious family, friends and loved ones, my city, my state and YES!!! Our nation. It matters *intrinsically* to the entire world!

Times are critical and this topic is of utmost importance! And while some people may see me as “old” and grey-haired, that doesn't matter!

The **ONLY** thing that really matters to me at this moment is **FREEDOM**! Let me tell you why that is....*It's a God thing!* Why?.... Scripture says, “*It is for **freedom** that Christ has set us free...*”¹

All peoples everywhere yearn for freedom...not just prisoners, or refugees living in a tent in Syria. Everyone living in a repressive gov't...Everyone! Why? **Opportunity!** We are hard-wired to **BE** Free! To Grow, Create, Bloom.. Buy & Sell Live under our own Tree, ...In China...you can't have the number of children you want... and certainly not a girl...without aborting her!

This is the **REAL TRUTH** about *freedom*. Why haven't we heard it more often?

The *guardians of truth* has always been the church! But God didn't mean for them to keep it *secret*! Holy scriptures. hold the truths that affect every aspect of living our lives!. In the past 50 years, the church has been anemic and mute regarding the real issues of people's lives. Their lack of guidance in important social issues has been exploited by political leaders, and is now *expected*! Many of them now call the mention of God or His holy word, “hate speech” while Muslims spew hate speech everywhere!!

Dr. Francis Schaeffer in the 70's & 80's (until he died) was a famous intellectual, author, shepherd of the world, and speaker at int'l conferences. I sat in many!

He said in D. James Kennedy's- Coral Ridge Church, in Ft. Lauderdale, that churches were to blame for our nation's social ills..

Today, Dr. Allen Jackson of World Outreach Church (WOC) also says it's the churches' fault. And Pastor Dean Haun of Morristown Baptist Church says it's the church that needs revival,,!

Talk about *fake news*? It's the false gospel I'm speaking of that prevails in too many churches. The Apostle Paul said to “expose the works of darkness,”² Deception prevails, Friends! Shocking?

But scripture warns us of the Great Falling Away at the end of this age... People are asleep! We're told repeatedly in the Bible, to Wake Up! If there was ever a time for people – Americans! - to awaken...**It. Is. Now**...!

A Eukranian friend gave me his Newspaper, In English, a story told of an interview with a Chinese missionary who toured American churches. When asked what he thought of them, he said, “I'm so amazed at how much these churches can get done - - *without the Holy Spirit.*” He recognized the real issue!

Polished Entertainment.

Lacking Inspiration of God.

Another Gospel...³

A Different Spirit....³

Even *Another Jesus*,³

There's no **LIFE** that is in Him in *these churches*!

The Bible predicts this in end times,⁴ Dear Ones. Like a **wildfire**, false doctrine's penetrating formerly stable churches, often through new & counterfeit worship. music.

People throng to these new worship conferences.

*Unity inside the church comes from agreement of scripture as **TRUTH**! Just as a great symphony unites around a single note before harmony comes... so do believers unite on the truth inside holy scripture!*

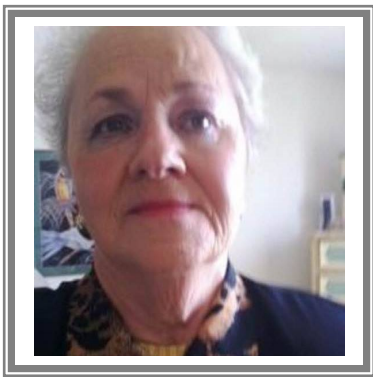

Younger Americans can't appreciate their country today because parents haven't taught them to love **FREEDOM**! Public schools have failed by sacking the Pledge of Allegiance, flag, God and traditions, etc.

Because people don't **love** **FREEDOM**, they can't **SEE** their country as **GREAT**! Yet folks are still coming to the USA! It's symbolic worldwide of personal freedom - *it is a gift from God*! The Bill of Rights and the Constitution even **says** that! **You need to cherish Freedom**! Help those empty millenials **see its Greatness! Shout IT!**

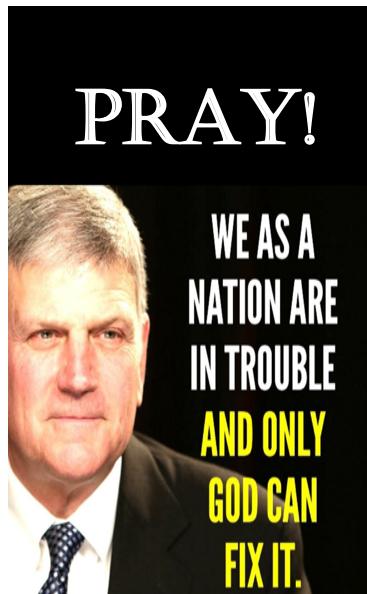

Perhaps Sarah Sanders –**another** gift to America! – said it best this week in a press conference. “Frankly, if **people of faith** don't get involved in the due process then you're missing the *entire point* of what we're called to do! I'm not going to my office expecting it to be my church! You're not called to go into the places *where everybody thinks like you do & is a believer* – you have to go onto a stage where they're NOT!

You have to take that message into the **darkest places** and the **dirtiest** places, and **tainted, dysfunctional** places. If you can influence **one** person, **that's** what you're supposed to do..!”¹¹

The fate of our nation may well depend on true believers getting it **right**...

*Most people don't

Everything You *Hate* Is One Election Away pg 2

Very little of life today is *ordinary*. The perilous times of stress, predicted by Apostle Paul are here!5 Most every news story today is toxic, full of hatred, and accusations.

It's not that different inside the church world – so many 'brands' of the Gospel! But leading pastors who preach from the Bible are exposing that darkness. .Pastor Allen Jackson of World Outreach Center said recently, "*There is a perversion of the Gospel that is so rampant, that it is about to overwhelm the church.*" I say it has already! There are dangerous trends lighting a wildfire of error in way too many churches! From false worship to doctrines of error in the pulpit, it's spreading **coast to coast**...

We shouldn't be surprised! Jesus warned deception would prevail before He returned. 6 Our nation is in crisis. Americans are **forfeiting** their birthright as we speak!11 Our nation's churches are askew, having lost their allegiance **to the truth**, (Jesus said "I am the Truth.")7 & following worldly counterfeits is dangerous—leading followers astray, into *hell*.

Jesus loves the church,8 but it's not the one on the corner! It's not the organization but the *organism*, *God always has a Remnant!* 9 "Programs" don't work! Flocks need to be prepared to **shape the future**...

Every church I've attended over 50 years say, 20% of members do 80% of the work. Is that right - the per cent of those **committed**?

What can people do to stop the avalanche of **darkness** threatening to rob us & our children of *their* future?And give a voice

to the Church ...? What will **you** say when your loved ones ask, "What did you do when America fell... while the church stood silent? The Great USA is critical... Think ICU care!

You can do what I and my friends did... if you are 50 or over, you can join AMAC...They are "Fighting for the America You Love" – a competitor of the liberal AARP. They have many member benefits and are coming up on two million members! They have a voice in gov't...where you too can be a delegate in local chapters! You can donate to them.. Or find other such groups and give!

If you belong to a church, many will tell you that they are not interested in politics!11 *But politics is interested in **them**!* They will be accountable for not voting, (or not voting on principle as "informed") and not cherishing God's **gift of Freedom**! For not representing the TRUTH in "**their** world!! **Indeed**.

It is not lost on me that the Great Commission says, "Go into all the World,...!" This is a COMMAND, Dear One! Not a suggestion! Proverbs says "A true witness wins souls..."Are **You** TRUE? Many believers haven't left the building! Truth! Scripture warns "Examine yourselves to see whether you are in the faith..."12 That's at the end of 2 letters to *intellectuals of the day*!

Learning to engage people effectively **IS** every believer's calling...Remember, the *Highest* thing we can do for someone is pray! Remember to pray...but put feet to your faith.

Ask Agatha- A Brood of Vipers...*In Church?*

Dear Agatha: I go to a Bible Study weekly where they defend Muslims and say we can't share the gospel to them because it would "offend" them. That we must always operate in LOVE. *What?* When Jesus said "Go into all the world,..." wouldn't that include Muslims? It seems every topic is prefaced with this sloppy *Looove!* **Iris.** **Dear Iris:** I too have been in groups like this. You can believe leading Bible colleges & universities teach **this** fake

Love to their tudents, who then carry it everywhere!

This attitude seems to say that God only uses people who ooze sentiment **all** the time! But love *without* truth changes **no one**! 13

Personally, I'm grateful that God makes John the Baptists (I might ;be one!) whose first 3 words recorded in Luke are – "*You brood of vipers!*"

Jesus used those **same** words in Matthew 23 speaking to religious leaders. (still a problem today!) In fact, if CNN had been there, they would have said Jesus stooped to name-calling - because He also called them "sons of hell, white-washed tombs, fools, hypocrites "...

Some people think Jesus is a milque toast. **Not!** He was like God Who is both *Loving & Merciful* but *Just & Holy*. Hebrews One points that out - Jesus **loved** righteousness but **hated** iniquity! He is loving but fierce...10

This doctrinal error has permeated the church and made a bunch of pansies out of the women, and girly-men out of the men! **No wonder** no one listens to the church! We neeeeeed John the Baptists! It's no wonder God's last words in the Old testament are that Elijah would come and return the hearts of fathers (leaders) to the children, & the hearts of the children to the fathers! These men didn't wear pristine robes, but they marched into palaces to warn kings to obey God – *dressed in skins!* (Is this politics?)

The American church is spoiled with materialism... Where is the Truth that **liberates** all of mankind?14 **Is your church ignorant?** *.Winston Churchill* said..
It is in the region of ignorance that tyranny begins.
