

# I'm Not Afraid... Ephes. 5:11

Will the heathen who have not heard the Gospel be saved...?

It is more question with me, who have the Gospel and fail to give it to those who have not. can be saved.

## Deception Hides Itself...in the Gospel!

Well...that's almost true! The Gospel is pure and spelled out clearly within scripture. The problem is that people don't realize is, that there's an adversary who opposes the truth of scripture ....because truth sets people free. Still.

This adversary is whom Jesus named as the god of this world. the devil. He has power and is a lot more experienced at using half-truths in our lives. And he uses our weakness to do so the lust of the eye, the lust of the flesh, and the pride of life.

Materialism, immorality, and power appeal to us all at one time or another!

So what does that headline really mean...? Let me explain.

The Apostle Paul is famous because he wrote half of the New Testament! He had a keen understanding of spiritual things after meeting Jesus on the Road to Damascus.

But, it was something he said that fascinated me. After 2 letters to the intellectuals of his day in Greece - whom he had converted in early years he said he was **afraid!** Yes.

Writing to them about church growth, encouragement, and correction...at the end of the second letter, he said he was afraid of deception... for their sake. As Eve was deceived in the Garden, he too felt they might succumb to another gospel, another spirit, and another Jesus.1 Did you know there's such a thing...?

Jesus was also concerned about deception, and warned us about it. Near the end of His life, walking from the temple in Jerusalem, His disciples asked "when endtimes would be?" 2

Jesus didn't answer them Instead, He said, "Take heed no one deceives you. For many will come in My name (as tho sent by Me), saying I am the Christ and will deceive many." Jesus was warning deception will prevail in the endtimes!

Beware! Later on in the same conversation, Jesus gave a special warning to Believers especially in Endtimes - that even the elect might be susceptible. People don't believe that because elsewhere Jesus promised that 'no one could snatch them from God's hand.'3 But-that doesn't mean they can't jump out by listening to the wrong voices and through disobedience! 4

Why else would Jesus give us this warning? Obey Him.

'Consider therefore the kindness and severity of God; severity to those who fell, but kindness to you, provided that you continue in His kindness. Otherwise, you also will be cut off."5 It's what the Bible says!

So where does that bring us today...? Paul warns that "The Spirit expressly says that in later times some will depart from the faith, devoting themselves to deceitful spirits and teaching of demons, thru the insincerity of liars whose consciences are seared..."6

Listening to wrong voices. It is important that we all know.

what the gospel is! Let me make it clear here:

God is Holy Heb. 12:14 Man is Sinful. Rom. 3:23 Grace of God Ephes 2:8,9 Jesus Christ John 3:16, 36 Faith in God. Rom. 10:9,10 Jesus Christ is called the watershed of Christianity...! So you can't be a part of the body and deny the Head -Jesus!

Except for cults, most people who describe themselves as Believers say they believe the above. But don't watch what they say, watch what they do!

These tenets described most denominations until recently.

Topics like water baptism, the gifts, and communion are not essential to our salvation. The above, are! It gets sticky here, because this is where most error occurs, behavior. .

Evangelicals are mostly seeker-friendly today. Not a lot of content – a crossless Christianity, about 'love', but no sin or repentance spoken.

Charismatics have evolved into Charismania...with the appointing of "apostles and prophets", as the latest voice of God. People travel to and fro seeking a personal 'word'. Totally messed up doctrines! @

It is fascinating to me that the definition of apostle is "to be **sent**." Didn't Jesus warn about people like this, in endtimes especially...?

I have two Baptist pastor friends who preach the real gospel according and keep unscriptural 'worship out of their church that can suck their flock into some serious, error...Yet even the Baptists problems with a man in error - and narcissism - who has 18 churches he's started..

All of these 'seekers' want 'experiences' i.e. signs and wonders.' It's itching ears..

It's like a child who says he d doesn't wanna do homework, or have chores to do. The wise parent knows it is thru the mundane that we will grow up and mature. Life is not all Fun & Games, else we never grow up...!7

Further, we need to understand the Love of God! If we do not, it is a straight road to deception! The love of God is not warm and fuzzy. It is clinical and fierce...but holy!

If you believe His love is a sloppy agape ideal, it will be used against you in future days. You will be required to embrace (tolerate) everything in the name of Love & Unity before the antichrist rises.

Christians were thrown to the lions back in Rome for being atheists! They would only embrace one God -Rome had many! Make sure you know the real Love of God and the *real* Gospel...!

## Will America Survive the Hatred...? Pg 2

That is a disturbing question! You're no doubt asking, WHAT does that have to do with today? Well.... Every. Thing ...!

Everyone knows the vitriol and all the accusations heralded by both the ultra left and also the right. I read on Twitter a fellow who said he was so sick of it, he didn't think he would even vote. Yeah right, and just let those who are working for socialism WIN...!? That's not a viable alternative!

So, what is a viable alternative? And vitriol often erupts into conflict. So

how do we defeat it?

If you have read the gospels, you know that Jesus' enemies were always gathered around, questioning him directly or plotting against Him to kill him. Religious leaders, too. Pilate even recognized that it was out of envy that religious leaders wanted him gone.8

So what did Jesus do? I think Billy Graham best described it years ago when I heard him interviewed. The host shared an accusation with the audience that had been heralded against Billy. When the host asked him what he had to say about it, I will never forget Billy's answer. It was like magic to me!

Billy calmly looked at the host and said, "I never answer my critics." He must have gotten that from God, because Jesus didn't answer them (often) either! Billy knew what his mission was, and if he got mired down by critics – he soon wouldn't be very effective.

We are heralds of Light into the Darkness, so there will indeed be resistance! Misguided believers may even join the camp of critics. But I learned decades ago, misguided people are not God's fault! So don't blame Him...!!.

Our calling as ministers of Light is to bring illumination to peoples' misunderstanding...in spite of the hatred... without being drawn into it! Some will hear... but some won't. Same thing with Jesus. Same thing with Billy Graham. We can't win them all, so give it up! And we will have our critics, so get used to it.

When I was in sales, I had to get used to 'No's' and not take it as personal rejection. The good salesman understands that. Poor salesman are.... poor. (Couldn't help this.)

So in order to defeat the vitriol that's so publicly displayed...we have to know what our mission is! Be mission-minded and Arm Up with knowledge (what) and wisdom (howto). Know your product like good salesmen do! The gospel message is still Good News! The last thing Jesus said before leaving earth is GO...! Have you left the church building? Gone to your neighbor...? Called a Senator?

The only thing you will be accountable for - doing God's will! Jesus even said not everyone who says the right thing (Lord, Lord) will enter into heaven, but those who DO His will, present tense.9 If you are living in Romans 7th chapter, of "I can't, I don't, and defeated"....then transition to Romans 8th chapter. Seven is the inability of self, mirrored by 35 I's, Me's, My's. Eighth chapter is about living a Spirit-led life mirrored by 16 mentions of the Spirit! It's your choice, Friend! It's the contrast between acarnal life & spiritual life!
