Rx For The Soul

*The Lord
Waits
To Be
Gracious
To You...*
Isaiah 30:16

*Discernment is
not knowing the
difference
between right and
wrong.
It is knowing the
difference
between right and
Almost Right.*

Charles Spurgeon

Wisdom is found on the lips of
of the discerning. Prov. 10:13
They are a nation w/o sense;
There's no discernment. Deut. 32:28

The Intruding Darkness -Are You Alright?

Some years ago, I read that the most commonly known verse of the Bible, John 3:16-*For God so loved the world that He gave His only begotten son* -has been replaced with Matt. 7:1 *Judge not, lest you be judged...*

That's a reflection of our society's newer wish to tolerate *everything that were* formerly viewed foolish or perverse - even *criminal not too long ago.*

It's a sad day due to the fact that this passage in Matthew is misconstrued- dealing with hypocrites, or religious Pharisees, trying to correct others *without* removing the log in their *own* eye! No one reads that part. What's more, in verse 5 it tells us to then go back & correct that one after its *removed*

What's the harm of this misconstrued passage of the Bible *on society?*

Well today, everybody from news anchors and neighbors feel authorized- by the Bible! -to **not let anyone judge! Ever!**

They park their brain at the door-following their 'feelings'- which are fickle and not to be trusted! Not *on facts. Or Truth.*

It's called 'brain freeze' leaving people to operate solely on 5 senses. Not on **Truth.** ¹ *Discernment* is essential. *Understanding* is needed to be able to choose right from wrong- or determine good & evil in life. People today like to pretend evil doesn't exist. BrainsMatter.

It is near impossible to function in life *without discernment.* To discern is: "to perceive by the sight or some other sense or by the intellect." And "to distinguish mentally, "acuteness of judgment."

and "understanding."

This cloud of darkness over minds in America concerning discernment has become a deficiency in every aspect of education, politics and relationships in the USA. This ruse has been energized by *political correctness...* never *offending* anyone. Never.

This means good, well meaning people are afraid to use their discernment due to the common thought that its either *racist or judging!* No- It's using your brain!

If you don't learn to use discernment in your near future, you may not *have* one!- Someone else will be telling you what to do, how to live ...where to work!

It happens...

Just a decade or two ago, Venezuelans enjoyed the 4th largest economy in the **World**, plus having one Of the most thriving oil industries ever. In only **10** years, people are starving, eating zoo animals, and walking to other nations for help. **That's** the result of 10 yrs of socialism!

Democracies from the Roman Empire to USA are based on the Ten Commandments: *Do Not Murder, Do Not Steal...* Billy Graham said that "*Everywhere there's a civilization, the gospel message's preceded it.*"

If a society kicks out God -as we have from schools, politics and the marketplace, then *very soon* you're left with tyranny and socialism- initiating communism... *You can vote socialism in, but you have to shoot your way out of communism!*

Did you know that 1/3 of millenials approve of socialism in America?

-*everyone's equal.* Again, feelings are *empty...* ² based on **nothing!**

It was recently revealed most supporters of Bernie Sanders are- WAIT for it... teachers! This says millenials aren't even at fault - textbooks w/o History & LEFTIST *teachers!*!!!

Per the 2018 Census, there's an estimated 70 million millenials. Think **23M** voters that **like** a candidate who promotes bloody Fidel Castro...!

This darkness is headed your way- if our citizens don't get their ACT together and step up to defend principles of freedom! 1st and 2nd amend's, freedom of religion, our military, to sealing our borders. You can believe it or *not* ...!

Never has socialism hovered so close...! And **never** have Americans more needed.... to understand **truth!** ³ We will be held *accountable* for our precious freedom!

I was in cardiac ICU for 12 days in Nov 2018. The condition of the USA reminds me of that stay! It. Needs. Critical. Care!

Why? Some say that, things are 'going great,' so It's temporary! Nations Live and Die like we do.

Schools can educate you with facts but REAL truth comes only from the Word of God. ⁴ How do you determine truth? You go to the Source,,,!! "I am the Truth..." Jesus said. God presumes you'll use your discernment... Why? Because you were born with it! It's His *gift* to you! He wants you to be able to define truth from evil, especially since He tells those who fear the Lord **to hate it...** ⁵

Friendship with the **WORLD** is enmity with **God**

Take Care that the **Light** in You Be **DARKNESS**

Where can I find Truth?

Exposing The Darkness

Cont. Pg 2

Why? *Why* would I write about this? Because someone needs to! Because the truth is sugar-coated –from newscasts to pulpits! The Bible says we are to expose the works of darkness...! **6** More, I just read where the Apostle Paul even **named five** different men who had left or shipwrecked the faith! **7**

I haven't told you, the real truth happening in our nation in the *church* world! Why? –heresy is now prolific in all branches–denominational, Catholic, charismatic– it's the great falling away predicted in endtimes by Paul & John. "Let no one deceive you for that day will not come, unless the rebellion comes first..." The falling away from the **Truth of God's Word**. The bad news? Heresy is everywhere! The good news? *Jesus is Nearby...* Are you *Alright* with that? Get right today!

"For the time is coming when people will not endure sound teaching, but having itching ears they'll accumulate for themselves teachers to suit their own passions, and will turn away from listening to the **truth** and wander off into myths..." II Timothy 4:3-4.

"The prudent sees danger & hides himself; the simple go on and suffer." **8**

The entire world is rushing towards One World Order-*you* may not see it! One leg of that system, Political, Economic, & Religion, is already complete. The One World Religion that Rick Warren has been building is finished. It is called Chrislam, where all religions

worship the same God - Islam, Hindu, Christian... Allah is God. More, Rick Warren's new book "Better Together" + a church workbook -is to mesh this all! All covenants have been signed (I have Pictures) w/*many* popular TV preachers. Plus, Imam Ahmed el-Taya signed the Covenant Feb. 19, 2019. Jan. 24, 2020, VP Pence traveled to the Vatican to sign that same Covenant of Chrislam, with President Trump's "full support."

I'm pretty sure that God noticed the USA's participation in this... since He says "Have no other gods before me" **9** ... And He did send His *only* Son to be Sacrificed to free **us** from our sin! Jesus didn't come to make another religion! Buddhism was already around with its 'way'. Jesus said, I AM the Way." **10**

Was this event pivotal in the USA?

I think so...we kicked God to the side in order to be *popular*...

A **huge** database Microsoft/Apple w/Macintosh is being built in D.C. is to blend social media-*employer* info re:us. The antichrist will need this info...

Here, I could tell you about the coronavirus Patented-when-what it is- by whom but... I don't wanna end up missing or dead. **But** I can tell you what time it is... It's time to believe!

It's time to surrender your life to a Good God Who knew all this! Who only wants good for *you*. The Word of God is "living and active... discerning the thoughts & intentions of the heart." **11**

Ask Agatha- "I Just Cannot Handle THIS!"

Dear Agatha: Hi Agatha. I admit when my pastor talks about endtimes, I block it out. I cannot deal with it...right now! I have a family and lost family members- one owns a business but still is a drug addict. My husband prays with me but is ambivalent about endtimes. He says 'what can you do about it?' So I'm asking you that question here. How can I prepare for this? I want to serve God, but I'm afraid. **Abby.**

Dear Abby: You are not alone, Dear One. Many people block it out too. I feel blessed that I've had many years to learn and grow in my faith, but others may not. What to do now...?

Well, it's impossible to please God without **faith. 13** So your faith needs to grow and the way that happens is to read the Bible. "Faith comes by the hearing of the word." Rom. 10:17

If you have asked God to be the Lord of your life, then do you pray? He is the author of Communication, and prayer is just talking from your heart to God. It's a relationship. **14** Get a morning devotional. It will write 365 verses on your heart (He says He does that.) Start every day with prayer & Him. Get up early if you must.

You can know prayer isn't a monologue, it's a dialogue, so expect God to guide you. **15** Proverbs has wisdom. There are 31 chapters...1 for every day, daily. You won't get enuff. But focus on the New Testament.

Learn to pray for others. God will let you see His answers soon. Pray in Jesus Name - John 16:24. Pray for your children, husband, family Learn to obey Him. **16**

Abby, you must learn serving God isn't about *you*! You're Salt & Light. Your mission is to bring illumination to others! That's **why** a *love of the world* dims our light...

Set your mind on things above. Most importantly, You must be renewed in the mind to know God's will. **17** Trust God. Because Jesus lives, you can face tomorrow...!

For the
**Word of
God
became
flesh,
and dwelt
among *us*.**

John 1:14
