Do YOU Make a Difference....?

Are you a whiner?
Or, a complainer about
all the things you feel
you cannot change?

Or, do you have a
heart that is thankful for
your life, family, or
grateful for your health
that is good...?

If you grew up with
folks like me, you might
be a whiner. They could
not even say "Love" –
the nearest thing they
said was, "I worry about
you..." I had enough
fear and dread in my life
and I didn't need their
worry! People didn't
touch each other either.

I was a whiner until I
matured as an adult.

People don't generally
flock to people who are
winers or complainers.
They like positive
people! I found that out.
Grim faces don't appeal
to others. Smiling faces
do! Have you ever
noticed friendly folks...?

When you enter a
home or group, what do
you leave behind...? Do
people think you care
about them? *People
don't care how much
you know - they care if
you care about them!*
Are you self-centered or
'all about you'?

This is a test article
to help you see yourself.
I didn't like myself
much when I was a
whiner. I didn't think
about others either. Just
me and my problems.

Then I discovered life
is bigger than personal
problems!

PEOPLE are what
makes life interesting.
Can you imagine a
world *without people*? I
used to watch sci-fi
movies, and saw them
where people were all
destroyed- it rocked me!

People are colorful; strong.

Do you encourage people
when they are down Or, do
you just don't care about
others- just your family? I
didn't care much about
anyone when I was young.

If you get interested in
others, you will begin to
feel *gifted*. And *grateful*.
Of course, not everyone
is wonderful–some may
be just like *you*! Self-
absorbed: no joy at all.

(Of course, we forgive
those who are ill, who
are self-absorbed.)

But what do people
feel when you leave
them behind – inspired
or encouraged- laughing
because you tell jokes?
What are people sup-
posed to feel when you
leave them?

That you care...!

When you ask God what
Love is, He will tell you
it is 'caring' –displaying
caring and kindness for
others. Helping hurting
people..inspiring them.
Living outside your world

You can't do that if
you are selfish...only if
you have a grateful
heart. It's your *choice*!
This determines what
kind of person you are!
Are *you* grateful...?

Did you know God
has gifts for *you*?¹ For
everyone.... But people
don't receive them cuz
they don't **believe**...!
Or are ignorant of them.

Jesus said, "according
to your faith will it be
unto you."² *You cannot
please God without
faith!*³ You must
believe God is a
Rewarder of those
who diligently seek
Him!⁴ It actually says
this in the Bible.

Choices have a lot to
do with where you land
in the **future**. Good
choices promote you.

I learned that at 15
years old....to make
better choices! Not to
follow your emotions.
I learned that at the
library I spent a lot of
time in! Thru books I
read there; of great men
and women!

You can learn by
looking around you,
at other people who
have made selfish
decisions. *Show me
your friends and I will
show your future!*

You can do without
friends; you can't do
without *guidance*! The
Bible gives guidance.
As well as parents –
who usually have your
best interests in mind.

"Do not be deceived;
Bad company ruins
good morals." ⁴

Every time!

No matter what age
you are -Choices frame
your Life! And friends
frame your choices...

Be a maverick. who
doesn't follow the
crowd. Think for your
self & be a genuine
person! Find who that is!

I made the mistake
of living 2/3's of my
life trying to please my
Mother. When I gave
that up, I became *Free*.
It no longer mattered to
me. I didn't know I was
in bondage to her, but
God set me *Free*...

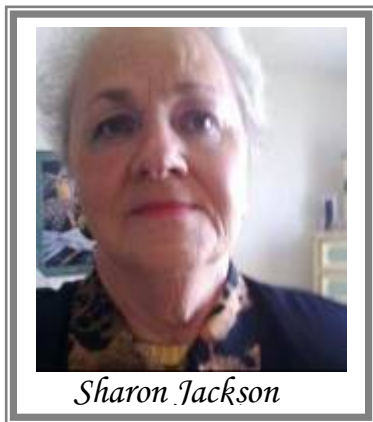

You can be free too.
Jesus was hung up for
all of your hang-ups! I
am now a living testimony
what a free woman is!

Free Indeed.

When Jesus sets you
Free, you are "FREE
Indeed."⁵

Surrender your life to
Jesus today. He loves &
cherishes you! I am sent
to tell you this message.

He has a plan for your
Life, and He means it!⁶

Hugging is

The most beautiful form of communication that allows the other person to know beyond a doubt that they matter.

If you use a daily devotional – one scripture a day – God promises to write that scripture on your heart! That is 365 scriptures a year. A 1000 scriptures is just 3 years! Be diligent in this... God will reward you. Amen.

A NEW Commandment...

Cont. Pg 2

Most people don't know that Jesus gave His disciples (and us too) a NEW Commandment. What's new about it? Scripture *does* give us the recipe of *Love* that we don't have! It calls it the *Royal Law*. And Jesus further defines in John 13:34,35:

"A new commandment I give to you, That you love another, just as I have Loved you, you also are to love one another." Most people take this statement of Jesus as *just more of the same!* We're to love our neighbors and God.... Well, Jesus is talking to His disciples *before the cross*. And the secondary thing –the word AS is in there.

He wants our love to be intense & fiery & sacrificial, like His! Only God's people can ever achieve that, because worldly love is tainted...with SIN! Only His love is pure. Holy. Little children Have this innocence -but we are killing them by the millions... the **only** innocence left on this earth... Just my opinion here! But I will **say it**.

We have a group of seven or eight people that has met on Fridays, for *over* ten years. The one that started it just died last year. We love each other with this fierce love, uniquely dedicated to each other in friendship, prayer & support via encouragement.

Family *Love* is similar to this sacrificial Love. A mother's Love, for example. It is a little bit of heaven....

God's innocent *Love* is such a high subject that I don't feel worthy to discuss it. It is sacrificial & unselfish, as Jesus demonstrated it on the cross.

It is so tainted by Main Street Media Hollywood and television by sex, due to their lack of understanding of any **other** love! All entertainment today is about sex and bed-hopping..

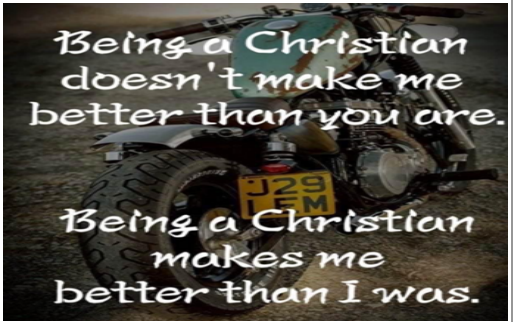

In this group, we don't always agree on issues, but we are usually on the same page. Elders in the first church of Acts didn't always agree either, yet they worked miracles!

"*Agreement*" is an *important* concept in the Bible. This is what Jesus in scripture says about agreement:

"Again, I say to you, if two of you *agree* on earth about anything they ask, *it will be done for them*, by my Father in heaven." Matt.18:19 I read a passage of the same verse that said this: "...if two of you make a symphony together, you shall have what you ask..." **Why?** Because the Greek word for agree Is *sumphono*, from which we get the word "symphony "

James - the half-brother of Jesus– called it the Royal Law and wrote about people who have this love, are attentive & sacrificial in ministry to the poor and needy... an elevated subject in his mind.

Love should be elevated in our own minds, but not the kind that contemporary churches preach - sloppy agape! Or, the world which never thinks believers should fault or criticize. **Real Love** uses discernment and abhors evil, per Rom.12,Ps.97:10; Prov.8:13,14.

Dear Agatha - No Love Here....

Dear Agatha: My pals that I hang around are so afraid of showing affection. They don't wanna be accused of being gay! Can you help? Anne **Dearest Anne:** You need new friends who are not so fearful of people. But it is what it is, right now....

You must be examples to them by just being yourself, unafraid of what people think or say. It is society that has shaped people's minds thru television-TV, most of their lives. And a pitiful kind of love...weak and void.

Of course, it's the devil! He has come for nothing But to kill relationships, friendships, marriages & families & personal lives. Rob us of our faith and businesses and friends!

Destroy good churches and ministries-it goes on. He is the god of this world, as Jesus said. So he's powerful ...more powerful than you. Dear One! You need a source of more powerful than him – and it is available to you!

Invite Jesus to come live inside your heart - He is strong for you and is stronger than the devil.

He will send you the Holy Spirit in (Acts 1:8) to Empower you.

Jesus said He came to give us abundant lives – don't settle for any *less* than that! The devil will tell you, it's not for **you!**....

He is a liar and the father of them. And He said followers who believe his lies, have a devil as their father.

Yes, if you want victory & triumph, in you must gain it. It is worth it all, Friend!

The first years of my life were tragic, because on top of all this, I made poor choices but my choice to choose God over the devil changed my life. Amen and Amen.
