## "I Miss What It Could Have Become..."

Getting older is a real privilege - many don't get that opportunity... People often live for their retirement and when they get there, they die in a few months. Or, people die in their middle age, 40's or 50's.

But my senior friends and I have a wonderful outlook & a fascinating lifestyle. We are not wealthy but are comfortable in life. And we are on the same page

But we all sometimes have angst & often anxiety over where society is taking our culture. We all grew up in a different world than this one!

How did it change? And did we have a role in that change...? Perhaps generations did so, unwittingly. We are not a bunch of fuddy-duddies. We keep up on news and events - we are well-informed.

I want to address those issues here, and don't even **think** they don't affect everyone in the USA, ultimately!

You too, Reader!

One of my friends called me this morning to say she was watching an old movie and she sobbed for an hour - that the times we grew up in no longer exist- That trusting 'goodness' and the outstanding people who gave us hope in a better life, are no longer here.

No longer does society cherish *goodness*...

In fact, our culture now cherishes evil. Even the bizarre and ridiculous. Goodness is out of vogue. I'll convince you right here.

"We have the ripest form of worldly civilization but the ripeness borders on rottenness. While men boast of the massiveness of the fabric, its foundations are falling into decay: and the awful anarchy which is the last result of atheism, even now threatens to dissolve society itself...we are on the verge of final catastrophe: for the reign of lawlessness seems now at hand!" *Sound Familiar?*

It shouldn't be because none of us were alive when this preacher wrote this, 125 years ago in 1896! **But** it sounds familiar because it's where we have landed in this nation....

It. Is. Where. We. Are!

We have kicked God out of the schools (history too) marketplace, gov't, and tried to kick God out of the churches in the pandemic. The topic of abortion and LGBTQ have reached outrageous lengths. No two groups have changed society so much -even introducing transgenders to sports and children too.

It is not *normal*!!

Even nature screams it is not normal! Our pastor told a story about a mockingbird in his yard. She made a nest in a bush and he must have been intimidating to her at 6'6". So when he went out in the yard, she flew at him with gusto; even flew by his head & trousers... willing to even **sacrifice her life** for her babies.

The most dangerous place for babies today is its mother's womb. Black kids face danger in the streets -but his *mother's womb* has more danger!

Ordinary people have *let this happen*...none *protested*. Too busy....

They didn't speak up on killing babies! Nor did they speak the truth how wrong is homosexuality- *not normal*!!

It is perversion....

Under 4% makes the rules for the USA. 60+Millions of babies have died-a holocaust!

**Instead**, people just *go along to get along*- & vote for it besides!

**Embracing evil!**

*Calling evil GOOD!* Scripture says people will call good *evil* and call evil *good*!1

Do you dare to speak against abortion or the Planned Parenthood? Or do you criticize the LGBTQ's clout in gov't? If gays get the Equality Act thru, **no one** will be able to say the truth. This Act is in California! No pastor can say it is sinful....

I have compassion for gays...but they can opt out of that life by joining a movement where gays have been *freed* from that life!

**Fulfill** your life where you can BE what you are made to **be**...

On the other hand, **did** you know that *fear of the Lord is hatred of evil*?2 We are not to embrace it! The New Testament says *we should abhor evil*?3 **Jesus hated iniquity**?4

This. Is. **NORMAL**....

We **do** have ripest form of gov't on earth! But it's going under, if We-corporately - don't turn to God for help!

Repentance is to '*change the mind*.' We need a new mindset in the USA... A new start!

God does miss what we could've *become*...

If we ever forget that we are

**ONE NATION  
UNDER GOD**

then we will be a nation gone under

## One Nation Under....?

Cont. Pg 2

One nation under God...or, is it just  
one nation under...? A website I  
made this year, Summontopatriots.com  
defines 9 Enemies in a Gallery to the  
USA. Some are overt- some are subtle

It signals to Americans that the  
USA is taking its last breaths of  
freedom. Do you know that the life of  
nations average 200 years...?

The USA is 245 years old. And our  
New President is threatening to  
cancel the 4th of July celebration!  
Another death knell... if he does that.

A death knell is that academicians  
have deleted the great history of our  
nation in textbooks, decades ago. We  
let them do that. No wonder a  
majority of the 70 million millenials  
don't embrace or respect the USA  
and embrace socialism! Thank God  
for wise people who homeschool!

Schools and colleges no longer  
teach critical thinking and deductive  
reason anymore. They graduate  
snowflakes...weak people who are  
threatened by ideals! *Every* college  
has remedial classes for math &  
English because that is the fruit of  
today's secondary education.

A Danish philosopher, author and  
theologian made this observation:  
"People demand freedom of speech  
as a compensation for the freedom of  
thought *which they seldom use.*"

I was a talk show commentator  
on 35 national shows-after the 9/11  
tragedy with millions of listeners.  
I'd just written my first book and it  
included my knowledge of Islam via a  
family member. I remarked on those  
those shows...ever more true today...  
that the epitaph of America would be  
**ignorance!** Have you noticed that  
ignorance is closely related to *ignore?*

Jesus told us in the endtimes,  
people would be "busy" doing normal  
things like 'marrying and giving in  
marriage' – i.e. going to soccer games  
and sports, working, taking care of  
family–*ignoring* the important.<sup>5</sup>

That's the root of ignorance! Life  
does require an active role **using**  
**your mind. Exercise your mind!**

Do not worship your children-  
they're a gift from God!

*Think for yourself.* Turn off the  
TV. Television today is a propaganda  
tool of ungodliness, fear and dread.

*The truth is that you are as big as  
your dreams and as small as your fears.  
Your attitude toward life determines  
how much you really live.* Betty Malz

Don't live by your senses – they  
lead to unwise choices you'll regret.  
This is what college graduates *do*  
now – Follow your heart but *take*  
*your brain with you...!*

Find a mentor you admire. Instill  
those qualities in your life.

And... if you've already followed  
your emotions (the five senses), and  
had an abortion – God reminds you  
here that the most dynamic  
spokesmen for Him were murderers!  
Moses, King David and Apostle Paul.  
This sin is forgivable. Usable too.

## Dear Agatha – It's *Your* Time to Shine

**Dear Agatha:** I am  
an ordinary woman  
who was hardly raised  
by parents using  
alcohol & drugs too.  
They lived for the  
weekends to party.  
They had no other  
goals. But I have goals  
- I want to make  
something of my self.  
Can you tell me how I  
can do that...? **Abby.**

**Dear Abby:** Yes! It's  
the same way I did it.  
We have similar back  
grounds, Dear One...

I discovered the  
truth in the Bible and  
it enriched my life.  
This passage *changed*  
my life! "But he who  
is noble plans noble

things & on noble things  
he stands." Isaiah. 32:8

I found it early in my  
life, almost 50 years ago.

What is noble...? It is:  
"Having or showing fine  
personal qualities; high  
moral principles, ideals."

Where do you get them  
from? I got them from  
the holy scriptures. His  
word was life to me....  
Truth,honesty.Integrity,  
virtue & honor. Respect.  
Parents should teach 'em

I studied Greek & I  
learned what definite  
articles are. NT Greek  
doesn't use articles 'A &  
the' unless they're *definite*.

Jesus said "I am **the**  
way, **the** truth and **the**  
life..."<sup>6</sup> Was **He a liar?**

He further said: "No  
man comes to the  
Father except thru Me."

Stop the debate in  
your mind about *other*  
*ways to God.* NONE  
EXIST! Accept His  
word as a love letter to  
YOU! You will shine  
Light in the world ...

**Be a Light...**to your  
friends & family. It is  
your choice, *today!* Be  
an example to them as  
well...help rid them of  
the morbid fear and  
dread **via** your own  
faith working before  
them! God working  
miracles for you - and  
them too...He DOES!

And **Yes!** I am  
*living my Dream* now!
