## People Who Love God - Will Be In Hell?

I was sitting in the middle of a mall, waiting for someone, and I overheard two women talking near me. One was telling the other that she loved God... a lovely soul too.

A thought occurred to me then. Many people who love God... will be in hell. Beautiful people will be there too tho not pretty!

Why did I think that?

Because I've studied the Bible for decades. And I understand that Jesus said, 'If you love me, you will keep my commandments...'<sup>1</sup>

But - few do...

Jesus said that too! **Few** would find the path to His heaven. **Many** would go the other way!<sup>2</sup> That's because we don't come to God on His terms. And because we have a "religious" view of God.

The devil is a liar and he is not fighting churches - he's *joining them!* Distorting the good news, (the gospel) ...that we don't have to earn God's favor. *We already have it!* This message is cheap Grace - not the bloody cross...

The most spiritual of churches are often sideways to the real 'good news.'

It's by unmerited favor-grace- that we are saved from sin.<sup>3</sup> Does that word bother you? "*All have sinned...*"<sup>4</sup>

Respect for God isn't familiar to some, cause He is Holy and lifted up! He is not like us... He sent His Son Jesus to . reconcile us to Him. <sup>5</sup>

Those are **His** terms. All we need to do is

repent of our sins, and surrender our lives to God.....He made you and your very breath belongs to Him! (We all think we can manage our lives better than God!) All who seek Him diligently will be rewarded. It actually **says that...!** <sup>6</sup>

We live in a pandemic -nothing is the way it was. Masks, lockdowns, lost businesses & lost jobs & lost houses, *or fear of losing them.* And, I read today that deaths shot up 250% in the UK when vaccines started. And now, gov't is pushing for children to be masked and vaccinated also.

What does the future hold for us...? I can answer that. More *fear!* The pandemic is a horrifying hoax, on you.

*You don't have to have fear.* You can be safe **in** Jesus, because He'll never forsake you!<sup>7</sup>

It is not a pretty picture, when we have outfitted our enemies with \$5 billion of the most prestigious warfare in the world! Al Queda & Taliban shipped weapons to 55 other nations - who hate us too...

There *will* be violence!

Did you know the first judgment on earth in the flood was based on *violence...*?<sup>8</sup>

If you haven't read the holy scriptures, then you don't have a clue what is coming in the future. Wars, persecution and *more* viruses. You need God now, to get prepared for the future.

You are being groomed for the antichrist. And if you think it can't happen, you are already deceived! If you don't learn to dance

in the storm, you will drown...

People today think we should be quiet re: evil -just love everyone! Love is enough for them but if they don't have love of the **truth** too, they may go south also.

Silence couldn't be more **Wrong...!** I just read this a.m. that King David hated God's enemies **9** with perfect hatred! We need to have this same hatred for evil & wickedness!

My hero Dietrich Bonhoeffer died in prison during WWII, resisting evil, named Hitler.

Fear of the Lord **IS** *hatred of evil...*<sup>10</sup>

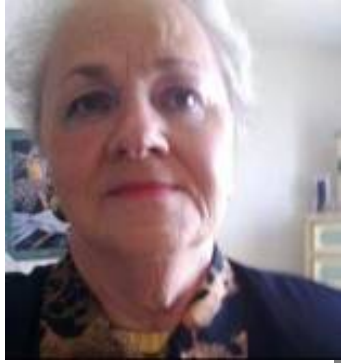

The world is filled with anemic believers, not understanding Bible truths.<sup>11</sup> Dr. Francis Schaeffer said that in the 70's.

Love is the verb of heaven, cause His Love changes everything! It is the action word. But the noun is the truth, & you can't separate them It's like taking the noun out of English-you can't know the subject!

162 times hell is mentioned in the NT... Jesus himself talked re: hell 70 times. The Bible warns of hell.

**Hell** is a real place! Hell is a place for disobedient people and for those who don't meet His terms!<sup>12</sup> After all, He sent His only Son to enable us all to live in paradise...sinful as we were! He eradicated sin that day on cross-if you will *take it*. Why wouldn't you...? Only pride & selfish desires can answer that! Read the back page...

## You May Think You Can Live.... Cont.

... Fine Without Christ. But You Cannot Afford To Die Without Him.

*C. H. Spurgeon*

Did you know you are like God? As He is Father, Son and Holy Spirit- you are three parts as well...Spirit, soul and body. God said in Genesis 1, "Let us make man"**13** The spirit was hovering over the earth. So He's always been three parts. Look at Him as a father, who is also a son, and a provider...!

The problem with you is that your spirit died in the Garden of Eden...tho you weren't there. God said Adam and Eve wud die that *day* and they did so in the spirit. Their bodies died slower.

That is the issue that you hear about that we need to be 'born again.' Until you are twice born, you can't **see** or **enter** the kingdom of God. **14** You cannot perceive spiritual truth...unless God reveals it to you...

(No matter what you have done, God is full of mercy and forgiveness. You may feel I am pristine from sin. But, my life is an open book! You would not believe it when you read it. *Answered Fire, Corrie ten Boom Prepared Me For Now*, I reveal the underbelly of my own life. On Amazon).

Until you are born again, your body operates on the 5 senses...touch, taste, smell, sight and hearing. Your body obeys your soul. The mind & emotions stem from the soul.

*After* you are born again, you have the Holy Spirit to lead you (He leads us into *truth*). **15**

You've probably never read this

truth, because it is misunderstood.

Preachers think Apostle Paul was describing his frailty in 7<sup>th</sup> chapter! He was describing for ALL of us the '*inability of self*' ...for the fleshly side of our nature! You'll understand...

Romans 7 has 32+ I's, me's, my's in that chapter. But the next chapter encourages us to live by Spirit's leading. Romans 8 has 16 times when the Holy Spirit is mentioned! You need to read Romans 7 and 8<sup>th</sup> chapter, and you need to LIVE in Romans 8.

By the Holy Spirit's leading...

That is the ultimate Freedom that Jesus left us..."*For freedom Christ has set us FREE.*" **16**

But at the end of the letters of the Corinthians- the intellectuals of the earth - Apostle Paul reminded them in II Cor. 13:5 to "Examine yourself to see whether you are in the faith."

It took me five decades to learn all this. So it is a synopsis of what I've learned over *time*. But I'm trusting the Holy Spirit to write it upon your *heart*. He will bring it "to your remembrance when you need it."**17**

Following Christ leads to the unencumbered freedom to be who you were meant to be, and thus, the Satisfaction of Life!

### What Will You Do...?

*"There's a cost to stand. But there's a greater cost if we don't stand."*

*Barronelle Stutzman, Florist*

Christians should be outraged that children are being 'trafficked in our own backyard,' said Kevin Malone, president and co-founder of the US Institute Against Human Trafficking. "Most of the trafficking is thru the use of fraud or coercion that comes into play – often with people that are known to them. Families are victimizing their own children, and grandchildren."

Most of the boys who have been rescued have been raped multiple times, before the age of 15. One boy, abused so badly, was hospitalized for weeks before being transferred to a safe house. Even adults (who are trafficked) don't think they are useful in any other regard because they've been programmed to be used for their bodies, as long they can remember. So now they're at a place where they're just resigned to it. They don't see themselves as made in the image of God - rather they're viewed as just objects to be used ...for pleasure to captors.

Human trafficking is a \$150 billion a year industry worldwide and the U.S. is leading the demand. Florida is 3<sup>rd</sup> in the nation for human trafficking in the U.S. The Tampa Bay area, including Pinellas County, is one of the greatest problem areas in the state. 80% are female and up to 50% are children. The average age is twelve years old, and some as young as nine. Trafficking is more profitable than drugs to captors, because they can sell bodies over and over and over...
