This article has bad news for you and every American...but its end has the most good news you have ever heard in your lifetime...

Do you struggle with stress and anxiety? Has the pandemic gotten you *down*? Have you lost your job/business? Or you just confused about everything going on in this nation?

We hope this article will help you to get on track and be what you wanna achieve in life...

You've read that Mark Zuckeburg is changing Facebook to META. He has hired 10k workers in Europe and wants to reach the entire world-that's what META means... metaverse.

My Pastor said "He looks like a cult leader."

Mark wants to lead his followers in virtual reality-which is demonic thru and thru. It is pure fantasy and scriptures tell us to control our minds at all times.¹

Big Tech now makes a lot of decisions that affect every day life in this country's culture.

There's no reason for you to know this! But...

Do you know what is HEK-293? Its what drives the abortion industry, not just *voters*. It is collagen and protein that is harvested from *aborted babies*. Since I checked 3 or 4 years ago, they have several (16) other substances that "help" people. *This is not a conspiracy theory!*

Look it up yourself - thinking for yourself is **the first move** not to be *in the herd anymore!*

Huge corporations buy these substances by millions of \$\$, to aid people with health issues and substances as well.

More, there are six corporations managing the news in every state. They mimic each other with the SAMENewscasts. Very few are sellouts...

Do you know that the BLM group got \$100M this year from Big Tech, the last time I checked from Big Tech. Antifa is probably financed with this \$\$\$.

We were in Wash.D.C. in Sept. & December in 2020 & saw them in *action*. Mothers (not men) were there in the shadow of the Washington Monument coaching teenagers how to get into your face & annoy you! Antifa burns cities and peoples's businesses ignored by the media.

My daughter & hubby were helping a man in a wheelchair to get to his hotel, after seeing him being abused by antifa. Antifa then they were *attacked* on the streets of D.C. and police were told to *standdown*. They filed a police report but nothing came of it.

But January 6,2021 is another story altogether.

Did you know that our favorite entertainment is owned by China? Disney -57% owned by China and 43% is owned by US owners.Did you know they own AMC theaters & General Motors. They purchased Smithfield Foods, which included a lot of acreage in that

purchase. They also own Hilton Hotels, GE Apliance Division, Snapchat, the Waldorf Astoria @ NYC, Dirt Devil, Hoover-Motorola-Volvo

We are not the richest nation in the world anymore-China is! China's wealth jumped to \$120 trillion in 2020 from just \$7 trillion in 2000.

The chief of Big Tech Bill Gates, is the largest land owner of in the USA with 242,000 acres! Has made \$\$ from every vaccine, which he claims controls the population! He's appointed Pop. Director in the 2030 Agenda of the UN, whose agenda is reduce the population, severely.

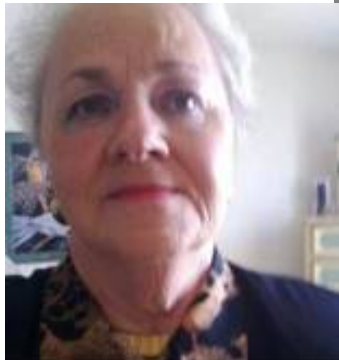

So, *what can you do?* Put your trust in God! Life is fragile and a vapor, scripture says. We are not here for long...

You don't own yourself, Dear One! You. Are. Gonna. Die...and face your Maker! But you won't stand in judgment for what the USA does! **It will be just you alone...**So you *need to keep the main thing the main thing!* What will you say to St. Peter at Heaven's Gate? There's only 1 thing "Jesus saved me from my sins!"

If you trust God with your life and walk with Him, He will be true to you and reward you with success!² Indeed.

See the backside for the Good News.

Are YOU Part Of The HERD...?

Cont. Page 2

I've been reading thru the Psalms lately – they are not for the faint of heart. They are full of praise for God, but bitterness is there also...

It's the course of life that we go thru. We are not exempt from anxiety and depression, or health issues. But we come back to the baseline...*if we have a baseline.* Many people don't know what they believe? I will say *most* of people – they believe in college and education, family or politics. And the church they attend... but all of those things have dimensions of "Let others do it all..."

We don't want to get involved.

"How beautiful on the mountains are the feet of him who brings good news, who publishes **peace**, who brings news of **happiness**, who publishes **salvation**, who say to people, "Your God Reigns."

So...in this passage we've personal peace, happiness and salvation—which means 'wholeness.' This defines the

Good News in the Bible...for you, Dear One! Do you feel empty, guilty, stressed & unhappy? This a remedy from the **Maker of you!**

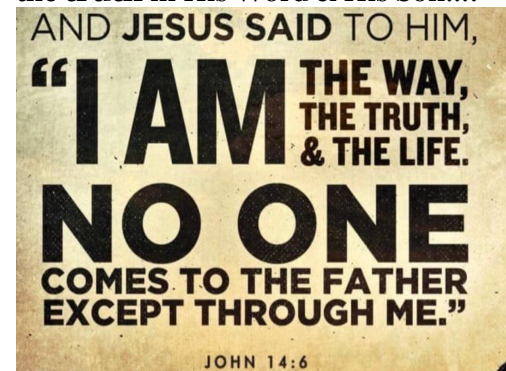

The best news is that you can read the final page of the Bible-God WINS!

Do you watch CNN and newscasts and you think they are truthful...?

It's important *what you think*. Because if you don't THINK for yourself, you are indeed a part of the Herd, Dear One! This is a test in this article to test yourself...

You have to guard your mind, due to the lies out there, everywhere. If you don't *know the truth*, you can't discern what is truth or a lie...

Jesus said the devil is father of lies!³ You can't learn the truth by news or social media. God gave us the **truth** in His Word & His Son...!

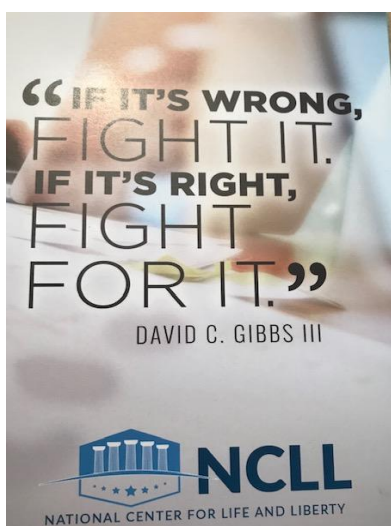

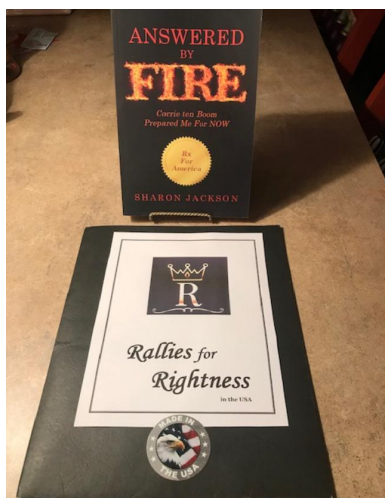

THIS is the Good News of the entire holy scriptures. Jesus said, ⁴ "If you love me, you will keep my commandments."The commandments of the New Testament is to 1)Love God 2) Love Your Neighbor as yourself.⁵

That means you forgive them, not being bitter towards them (bitterness is unforgiveness *gone to seed*. It defiles you and others as well.) ⁶

Loving God is foremost and His Son who suffered for us on the cross to make a way for us to fellowship with God...we are **broken until then**. We cannot even SEE the Kingdom of God until we're born again...⁷ The Lord knows every thought about you, Dear One. Jeremiah 17:10.

"I the Lord search the heart and examine the mind, to reward each person according to their conduct, according to what their deeds deserve."

We Live Below Kingdom Possibilities

Goodness & Mercy Follow Us; Not the Opposite!⁸

"There's a cost to stand. But there's a greater cost if we don't stand."

Barronelle Stutzman, Florist

We are not Kingdom minded. "Seek first the Kingdom of God," Jesus said. "Sensible people will see trouble coming and avoid it, but an *unthinking* person will walk right into it and regret it later."⁹

Children of the Kingdom are new dimension, power filled with the Holy Spirit – walking by faith.¹⁰ Jesus also said "According to your faith, let it be done to you."¹¹ So faith is proportional.

Nominal denominationalism is the most that people experience – Christian in name only – not walking with God Himself. Eternity is too long to be **wrong!** I don't want to put people under guilt and condemnation, but Satan's best weapon is religious lies. You need to love the truth in holy scripture and take it literally.¹² If you can understand it all... you would be greater than God!

The wicked asks for a sign in Luke 11:29-32 but no sign will be given to them except Jonah. This book in the Old Testament was about *repentance!* Jonah had to repent because he hated Ninevah and didn't want to go there to tell them to repent. When he *did* go there- repentance was glorious from the King down.

I love God's Word – it has transformed my life! People who know me know I've had a hard life, but it was preparation for God wants me to do. I was a street urchin and He transformed my life for *Who's Who of America, in 2022*. This book goes to colleges, libraries and professionals all over the world. But... I asked God for a sign at **age 77**-to do these Rallies for Rightness. THIS WAS **IT!** I am humbled, honored and *grateful* - I feel I don't deserve it, but it's God's hand. As a representative of Jesus on earth - count for *something!*
