## Do You Have *Rest* in These Trying Times...?

The world is in turmoil, especially the United States. There is **unrest** in every facet of society, it seems. I don't have to tell you because you already know them!

The people who realize this, are thinking they need Security, Relief, Comfort. *Escape*. And they don't feel its coming soon!

But I can tell you that you have *rest* waiting for you....

I am retired but I've been interested in Bible truths over 50 years.

I will tell you today what you've probably *never* heard. It is only secured through faith in God! But it might interest you – if you are not a believer – because you've never heard it before...

It is *"By faith we understand that the universe was created by the Word of God..."*<sup>1</sup>

You are probably worried about the future, with health & financial issues. What do you put your trust in? You may as well put your trust in God—you have no other probable recourse *anyway*.

*"For we who have believed enter that rest...and God rested on on the 7<sup>th</sup> day."*<sup>2</sup>

I want to ask you a question right now. Was God tired on the 7<sup>th</sup> day?

No. He was *finished*! It says He was finished in Genesis 2:1,2 twice. Another verse in the New Testament says He was *finished* in Hebrews 4. This entire chapter talks about the **REST** I'm writing about to you, Dear Ones...

*"So then, there remains a Sabbath rest for the people of God, for whoever has entered God's rest has also rested from his works as God did from His."*<sup>3</sup>

Do you know the last of the 7 sayings when Jesus was on the cross? The **LAST** one?

He said,

*"It is F.I.N.I.S.H.E.D."*

He *finished* the work on the cross for all our sins.<sup>4</sup> I was a wretched sinner – BUT God forgave me thru this! I will rise again when I die *as He did so!*

He purchased a Sabbath **rest** for us, and we can enter it daily, 24/7/365 days a year. It's His *Presence*. He sent a Comforter to us, the Holy Spirit.<sup>5</sup> He leads us to Truth, He's a Teacher, Helper & an Advocate.

Ask God for Him...<sup>6</sup>

When Jesus was on earth, He said *Few* would follow the right path, but *Many* would take the wrong path!<sup>7</sup>

And *Many* thought they were on the right path—but they are not! He said, I never knew you." God's warning to

Get. It. **RIGHT!**

Jesus said, *"If you love me, you will keep my commandments."*<sup>8</sup>

He said, *"Love God & your neighbor."*<sup>9</sup>

Do you know this is called *The Royal Law*?<sup>10</sup> These are the only laws you have to obey You won't kill or rob or covet your neighbor, if you really love them.

I will tell you how you to Love God in the first commandment.

Keep God **FIRST**!<sup>10</sup> Even believers don't do this many times due to *what* they think they know!<sup>11</sup>

Our family used to go to conferences yearly in the 70-80's. People from the entire world came to these conferences at New Orleans, LA, Philadelphia, Detroit, Chicago, Niagara Falls.

We met people from So. Africa, Zulus (they stayed with us six weeks) Nigeria, Netherlands who came there regularly.

In a midwest conference, a couple who'd traveled much of the world, got up to speak. They both had bouts with cancer and talked about it. They told us how to clean our homes in a brand new way!

Traveling the world, they'd picked totem poles in Alaska, books, bought items of witch drs in Africa, and decorated their walls.

A *Christian told them*,<sup>12</sup> pointing to the Bible, people in Ephesus burned magic items & books in the sight of all.<sup>13</sup>

They searched all in their house, idols, statues, key rings, rabbitfoots. (Trusting in Luck rather than God. *They burned them ALL...* they didn't give them -Sal. Army!) They got rid of them because it represents *another god...*!

Eventually, they were both clear of cancer! So keeping God 1st, is a healthy **thing**. Glory to God!

## Disappointment is Dangerous...Even to God!

### 2022

What's coming this year? I don't know... but I was thinking about how Jesus said endtimes would be like Noah's and Lot's days in scripture, so I read about Noah & Lot's era.

It's so similar to our times...!

I started with Genesis 6.

In 6:4 it says the Nephilim (giants-fallen angels on earth when Satan down) was were there & loved the women. So they took "as their wives any they chose" & they bore children to them over 100's of years. "These were the mighty men of old..."

So they *changed the dna* of people on the earth - *that God had created!*

Genesis 6:5 God saw that wickedness and that every intention of thoughts of their hearts were 'only **evil continually**'

Gen. 6:6 says then the Lord was sorry that he had made man on earth and it grieved Him to His heart.

Gen. 6:9 Says Noah walked with God.

Gen. 6:11 Now the earth was corrupt in God's sight and the *earth was filled with **violence!***

Gen. 6:12 God saw the earth and Behold, it was corrupt, for all flesh had corrupted their way.

Gen. 6:13 the earth was filled with **violence** through them. (giants?)

Gen. 6:17 everything on earth will die

Gen. 6:23 'Take with you every sort of food that's eaten and **Store It Up.**' (they were in the Ark 40 days + 150 days—six months and 10 days. 7:24)

In Gen. 7:4 God gave them a weeks' notice when they would go into Ark..

In Gen. 9:16 God swore not to flood

the earth —ever — and set a rainbow in the sky to remind **us** of His vow!

The gays use this rainbow every where... a symbol of *judgment*...?!!

Peter says in 2 Peter 2:5-7 God "spared Noah with 7 others, when He brought a flood on the ungodly, and by turning the cities of Sodom & Gomorrah to ashes, He condemned them to extinction, *making an **example** of what is going to happen to the ungodly*, and He rescued Lot from those cities+family"

The end is coming. It is nearby...

Nations die & earth was flooded *once!* It was the *wickedness and **violence*** that provoked God. *And changing the **dna*** of people on earth He had *made!*

I flew over Portland, Oregon and it is the most beautiful city I've ever seen (I've seen a lot). It sets against a huge mountain with a big river running thru it. Antifa has ravaged that city for over 2 years. If they are arrested, then gov't bails them out!— (like Kamala Harris & Waters. Soros and others.) They've burned cities and stolen businesses. Jan. 6 is *another* thing tho: Securing indictments Seattle is the same, with the city blocked off—including a police station!

Real Drs & Real Scientists say *vaccines are changing the dna of people...and to build your immune system—take vit. D-3, C, zinc & Exercise!*

Fake science is the new god of Liberals to prove their case! **Violence is on the Rise in every city.** Gov't leaders are greedy for power and financial corruption...it covers the Left & Right! The church is *anemic & impotent* with no voice! WHO will hold back this darkness? What to DO?

## ...Embrace God and Country- By Sharon Jackson

"That's the **ONLY** thing that will save this country...It's too far gone!"

"Sensible people will see trouble coming and avoid it, but an (unthinking) person will walk right into it and regret it later." <sup>14</sup> Our Mission is to see as many people as possible and tell them, the propitiation for their sins **is paid for!** And God is not *mad* at them — He loves and cherishes them!

In the USA, inflation is now higher than 40 years ago. Stores can't get groceries on the shelves due to shipping issues. Eating out now has a scandalous price! The loss of the oil industry, is making gasoline twice higher.

It's planned because the deep state wants to gravitate to the New World Order —cashless worldwide. When America loses its sovereignty, the world will follow. They have already set up Nesara & Gesara - an economic system, and the Pope has set up the third leg of NWO by getting world leaders in the church to sign Chrislam (making Islam equal to Christianity!) as world religion. V. P. Mike Pence also signed it in January 2020 with Trump's approval, representing U.S.

So if the USA falls to their plan, the world will go likewise... That's why they have a puppet leading the United States right now. *Wikipedia calls this a conspiracy theory but...* I've already read the UN 2030 Agenda and - it's a **fact**.

What can we do? The whole world is filled with darkness. Men *love* darkness.

**Blessed means HAPPY!** Jesus' Beatitudes start with "*Blessed*" every time.

(This is my translation of the Beattitudes) 1. Don't take yourself too seriously...be humble. 2 Broken hearts & lives DO mend...they'll find comfort. 3 Be gentle with yourself — enhance your inheritance. 4 Be a seeker of rightness; results will be a balanced life. 5 Forgive yourself & others - you'll receive mercy. 6 Retain dignity- you'll see God in your midst and in others. 7 Be a good friend to people-you'll be the sons of God. 8 Get over hardships-it comes with the territory. 9 Never answer your critics...Be about your mission. Matthew 5:3-12
