Friends of Zion ... I Am ONE!

...Because I want to be *blessed* and a *blessing* to others! God promised Abraham -the 1st Hebrew-that people who blessed him will be **blessed**...and those who cursed him would be **cursed!** ¹

I believe every word of the holy scripture. That's what I've done over 50 years. It works for me... and *you* too!

Jacob was the grandson of Abraham. God changed his name to Israel - the nation who is restored after 2500 years! It. Is. A. Miracle! - Bible prophecy fulfilled in our own days!

Could I mention that her enemies now live in **deserts?** A wilderness. 55+ nations hate Israel, a little sliver of a nation. Why does this concern you...?

Well if you *Love* God, you need to love what He treasures! Salvation comes from the Jews...²

And **shocking news** to some people: *Jesus was Jewish.* So God's Son was Jewish. And He chose to suffer for you for your sins, even though great drops of sweat and blood...even before He went to the cross.³ It verifies His humanity...

"Christ Jesus, who though *He was in the form of God*, did not count it equality with God a thing to be grasped, but made Himself *nothing*, taking the form of a servant, being born in the likeness of men...He humbled Himself by becoming obedient to the point of death, even death on a cross."⁴

We are told to 'pray for the peace of *Jerusalem.*'⁵ **Why?** God knew they would have enemies,past& present!

Mike Evans (not a receiver for the Buccs) has been in Israel as long as I've known him, for decades. He has met with nations' leaders, even Islamic nations. He is a personal friend of Ben Netanyahu. He is an ambassador for the USA in defense of Israel
Mike Evans just bought a building in Jerusalem, an *Ambassador Institute*. He lit it up with letters- FOZ ...Friends of Zion. It is in Hebrew & English.

Mike is in a very dark world, bringing Light as he works to be a Light shining in Israel. I get his info in the mail. I want to tell you what he wrote in his last FOZ publication. **It will blow your Mind...**

"As shocking as it seem, Israel enemies are winning these battles because of utilizing social networks to get to the masses ...of young people... branding Israel with words like apartheid, colonialism and convincing people to boycott Israel.

"There's no doubt that the current immoral social networks *will be a key tool of the Antichrist.* Do you realize that every 37 seconds, your pc is attacked...? On average, **over 1,000 websites** per day that you don't even *know* exist obtain your info.

Every time you use a device...somebody can find out where you are and exactly you're interested in. They can even tell if your scared or depressed."

*For Bible believers we cannot allow the tyrannical black hole **corporate** giants to have control over **us.** Control means more control..."*

I asked a member of Israel's Joint Chiefs of Staff many years ago, "What determines where wars be fought or ended?" He said, "The media does."

50yrs of studying scripture, I'm convinced that God is working in these corporations utilizing **ideas** to **wake us UP!** Colleges do not discuss ideas anymore (Ideas are threatening!) If you **think** at all... you'll wake up to what is *against* you...!

Learn to think & discuss it with your families & friends.

How much time do you spend on Facebook...? Do you watch CNN? Its part of the brainwashing! Get your news on the internet. *Choose* what you want on there.

Trust God to lead you...get on safe networks.He sent the Holy Spirit to teach you...⁶ **Repent of your sins (means 'to change the mind')** **Be born again... unless you want to be controlled!**⁷ **It's virtual witchcraft.**

A True Story ...About World War II

I want to tell a story about a war hero in WWII that our family served her for 3-4 weeks. Her name is Corrie ten Boom, & much of her family died in concentration camps. She was the only survivor who went into those camps... she lamented that she was the *weakest one of all*. We are in a world war now!

I remember a TV anchor in our city interviewed her, and he said “You must have a great faith!” She corrected him right away, saying in her broken English “I have not a great faith. I have faith in a Great God!” She wore in her shoe into Ravensbruck, a Scripture from Rom 8-*Life or death or demons can't separate you from God's love.*

We had teens and we supported Youth for Christ (where Billy Graham was saved in Indiana) One night, we received a call from a director in that group at 9:30pm. He wanted us to drive across town to the airport to greet a celebrity. He named no names.

When we arrived at the airport, we saw a couple we knew and about ten others. *I couldn't believe it..!* Corrie ten Boom & her assistant, Ellen DeKruhn- a tall, younger and beautiful woman.

We trailed them to the hotel (cross town too). When we got there, we were told Corrie was taking a **nap**...?!? We waited in a hotel room to meet her. But right away, she came in, saying “*Ten minutes in the Lord is enough!*”

She was delightful – though she'd been traveling all day, from California. She was in the mid 80's then...

My husband asked her to marry him. She was delighted at this thought! Of course, he was kidding around. Our children loved her as well. We met with

her every day, banquets and informal groups, consummating in a coliseum where thousands came to hear her!

I'll never forget that meeting – Totally **electric**. It was thrilling! She'd formed 61 churches then (that's what apostles do!) She asked the crowd, “*Are you willing to die for your faith?*” That's the 1st wave I'd ever seen-started in the balcony, on right. We stood up...

I have many stories, but I want to tell one. Corrie was very modest. But the guards at Ravensbruck camp got them up at 3am. They stood there for many hours-- in the sun and rain - until afternoon. NAKED. If they fell down, the guards shot them! She thot ‘Where is God?’ A lark flew by...

Did you know that Jesus probably hung on the cross...**naked**? That's why He ‘despised the shame.’ **8**

After ten days, Corrie left us all. It was like family leaving!.. She died on her birthday, 8 years later at 91. Billy Graham made a movie of The Hiding Place, a 3 story house in Haarlem, in Netherlands. The 3rd story had a fake wall where people could hide there. They saved 800 Jews and smuggled them out of occupied nations before ten Booms were caught. That's...

...Why she'd been invited to open that movie in the USA. My husband and me took one of those movie houses for 2 weeks. 700 repented of sin ...3 to 4 movie houses in that city. *Such an **honor*** to meet & serve Corrie..!

Mike Evans had family who were killed in WWII camps. He formed Corrie ten Boom Fellowship in Phoenix, Az.

She was a Hero & Mentor of my life for this ‘World War for our **minds**!’

...Embrace God and Country- By Sharon Jackson

“*There is no pit so deep that God is not deeper still...*”

Her dying words, Corrie ten Boom, April 15, 1991

Rallies for Rightness – in the USA

“Sensible people will see trouble coming and avoid it, but an unthinking person will walk right into it and regret it later.”**9**

God has called me to do Rallies for Rightness, nationwide. It will start with a podcast, Zoom & gravitate to stadiums next year, and getting conservative corps' support. It's about how Americans can live a **meaningful** life –in this era!

Jesus said “According to your faith, let it be done to you.”**10** So faith is pro-portion-al. So I'm saying what Corrie ten Boom said in that interview – “I have not a great faith. I have faith in a Great God!” I'm 77 years old...

(Faith comes from Romans 10:8-10; hearing and speaking the Word.)

Last year at this time, I was trying to die – not speaking above a whisper. I was hospitalized on February 6, 2021 with congestive heart failure, pneumonia, kidney failure and severe sepsis. But God saved me..! My daughter RhondaRae came down to get me well for 4-5 weeks. She lost \$15k in her business! May 2, I lost the use of my legs for a week (proably sepsis). Ambulance took me to ER. But! God had the right Dr. in the right place. He looked 21 years old to me, but he was 36. My aorta was not working for my legs (the aorta circles your body). He put a tangible tubing attached to my aorta in my shoulder and ran it down to my legs. 50+ stitches later, I was walking **again**! I am a walking miracle!

After 40 days of hospital care, I ran away...Yes I **did**! My friends rescued me. My daughter protested! **I thought if I could just get home, I will be fine!** I **was**.

Then I wrote October Newsletter, Who is Holding Back the Darkness...? I decided to do my part. I have a background of doing rallies. So, I prayed for a sign...**God gave it**, in a nomination for 2022 Marquis Who's Who in America! Raindancing101.com does so much to encourage people. The rest is His-story...!
