## The Clock Is Ticking Murder...

I wrote this title only 5 years ago, in March 2017. But I'm writing it again! I'm writing about violence in the USA, and a *timeclock* for America...!

One time I had the TV on, and I was walking through my living room when I heard a woman being interviewed saying, "I've never lost a student!"

I immediately sat down to hear this ridiculous woman! Was she a braggart or was she crazy...? I didn't know.

But I was introduced to Marva Collins right then... A black educator in Chicago, she operated her own school called Westside Preparatory School.

She made a covenant on the first day of school with her students. She made the students memorize Tennyson 1<sup>st</sup> day. She made a rule that students can't listen to rap music. Even slow learners became successful. And some of students came back to teach in the school! *And she never lost a student! Ever.*

You can read Marvin Collins Story, a book made for her life. When she got successful, she was nominated for the Fed. Cabinet 2-3 times, but she wouldn't serve there! Teachers from Wash. D.C. had threatened her life...

It is a **long, long** way from what Chicago is today...! I will give you the statistics from Imprimis Feb. Volume 51 #2. • **Ten cities** hit new murder highs in 2021, but Chicago leads the way...! Violence is **prevalent** in America.

• In 2021, shooting incidents rose by 63%.

• Expressway shootings rose from 2019 with 51... to 273 in 2021.

• Carjackings, 1836 of them in 2021. *Many* were killed. *Many* of those killers were teenagers, & many of them **got off!** The justice system is broken.

"Gangs have stoked the carnage with a sub genre of hip hop music- 'Chicago Drill.' Tourists in general- are shunning the city."

In the Super Bowl this year, gangster rap was invited to perform in the halftime! Only 12% of population is black in USA. Do you realize that 94% of commercials have blacks in them? *Why?*

The New World Order is controlling everything today. *They're trying to divide us;* They are doing a good job here... they want USA to lose our sovereignty; spend money we *had*; get into debt.

I was mentored by a black professor. I have friends who are black that text me regularly. I'm not a racist ...at all. I'm just telling the facts! (Violence may become a 'gun issue' sooner or later.)

After 200 years, nations die, according to history. USA is 260 years old...

But never mind; those who **want freedom** come anyway! By the **thongs...**

The USA we has been in death throes for years. Greed for power and money has taken over the gov't.

The USA has made China the richest *nation in the world* and we are **still borrowing** from them!

*What time is it...?*

It is a new era...!

The Bible affirms we are near the end! Jesus said it would be like Noah's days when He returns.<sup>1</sup>

*How was it then?*

"Violence filled the whole earth" and "the imagination of men was only evil continually."<sup>2</sup> Do you know how BIG is Porn is? It is worth Ten Billion \$!

The Lawless One will probably follow this violence-*leaders* are setting the table for the **antichrist**.

I warned 5 years ago, that the volatile rhetoric we witnessed *then* - will turn into actions. It did so...!

This is true in our own life-and society as well. It begins with *thoughts*. Then *words*. Next, *actions*. This is why we are told to guard our hearts, (seat of thoughts) with all diligence.<sup>3</sup>

Hatred is in the **air...** the same as murder in the Bible.<sup>4</sup>

Do you know that the Lord destroyed earth the 1<sup>st</sup> time, for *violence*...?<sup>5</sup>

It is the fulfillment of prophecy. Never has a nation been restored after 2500 years, like Israel...74 years ago!

The symbolic fig tree is **ripe**...!<sup>6</sup>

April 1 is set aside for Fool's Day. Don't be a fool by ignoring **truth** written here!

## Behold - Easter Comes After Fool's Day...!

We've all been a fool at times. A fool shrinks from the truth. He fools *no one*

A man and wife were awakened in the middle of the night by a phone call. The police were calling them to pick up their 16 year old son, at the police station. They were shocked - they raised him in the church but he was facing a felony charge.

When they picked him up, they asked him '**why?**' He didn't *know*...

The parents discovered, though he'd been in church all his life, no one had told him he has an adversary-the devil-whose goal was not to take him down, but take him *out!*

We also have an adversary and this true story reveals the unseen war of Light vs Darkness! Is the devil personal to YOU? You **are** to *him*...!

Keys mean ownership and authority Jesus gave us His! They can safeguard your family...Our Kingdom Authority – and Jesus gave us **His!**

People who in church don't understand this regarding *divine authority*. Keys to your car means ownership and dominion over that car.

Another true story here:

A married couple were walking on the beach. They spotted a huge yacht in the distance. A billionaire was hustling on his phone while standing on the top of the deck. The wife turned to her husband and said, "Wouldn't it be amazing to have a yacht one day?" "Yeah, but I have something that he'll never have," "What's that?" queried the wife. The husband stated "I have enough." I Tim. 5:6 the Apostle Paul wrote..."with godliness & contentment there is great gain."

You can't put a price tag on peace and godly contentment.

*Daniel Barnard on Facebook*

How to have victory over the tribulation right now? *It is overcoming an enemy or antagonist*, according to Siri. But Jesus said "I have said these things to you, that **in me** you may have **peace**. In the world you have tribulation. But take heart, I have overcome the world."7 These are steps-

Often, pay attention to what you are paying attention to... Everything begins in our thought life.

Then replace negative thoughts with positive thoughts. Read the Bible!

Surround yourself by others who are like-minded. Support those friends; who will support you as well...! Do away with negative friends who have a problem for every solution.

Jesus won the victory at the cross!

Divine victory happens when God fights for you. God shows the world that it was Him who fought for *you*...

"Now the Lord is the Spirit, and where the Spirit is, there is freedom. And we, who with unveiled faces all reflect the Lord's glory..."8

**Live a Spirit led life...**Live in Romans 8<sup>th</sup> chapter, not in 7<sup>th</sup> chapter. It describes the inability of self. 36 I's, me's, and my's. There's no victory there! "For if you live according to the flesh, you will die, but by the Spirit you put to death the deeds of the body, you will live. For all who are led by the Spirit of God are sons of God. For you did not receive the spirit of slavery **to fall back into fear...**"9

Surrender your heart to a Good God Use discernment...and Love the *Truth!*

## Avoid People...Who Deny Power of God

**"There is no pit so deep that God isn't deeper still."**

*Corrie ten Boom*

Do you know that Apostle Paul said to avoid certain people? He also named certain people who were no longer associated with him. Apostle John also named people. Moses named Jannes and Jambre. I'm not recommending this. However, it's a **real** world out there, and Christians shouldn't be plastic. There's too few voices of churches in this turmoil-except **what you can't do!**

Jesus said "Behold, I have given you authority to tread on serpents and *over all the power of the enemy ...*"10 Authority means ownership. You have dominion over your home, your sons & daughters, and over *all the power of the enemy*... where he is operating **when you discern it** in your arena of life!

Discernment is not a bad word. You need it in your life to know what is **good or evil!** If you don't have discernment, that enemy has power over you, Dear One. Don't be simple...or a *fool*.

So this is what Paul said: "...having the appearance of godliness but denying the power. **Avoid such people.**"11 People who deny the power of God ... *attend church!* He is saying that people who attend church and do not obey the **real** God... Avoid these people! Jesus said: "If you love me, you will keep my commandments."The Royal Commandments of Love! John 14:15; Jas.2:8

People deny the Holy Spirit working and the power that Jesus gave us. He gave the church the Keys of the Kingdom –it means ownership and authority. "*The one who hears you hears Me, and the one who rejects you rejects Me.*"
