You Just Have to *Get READY....Now!*

I just saw a Vermont Station caught a UFO on Weather Camera. It had a big picture of it! The future is coming...NOW!

You have to Prepare for the future! I have no tin foil hat..! But I fear that many people are **not** prepared for the future! That's why I'm writing this newsletter...!

Jesus warned us we would hit hard times st in the Endtimes! Many believers are sitting on their hands...waiting to be relieved of this ERA! *You have been BORN for THIS ERA!!*

James. 2:26 says "For as the body apart from the spirit is dead, so also faith apart from works **is dead.**"

Not CARING for souls!

I believe so many believers are deceived, loving this world and not following the Holy Spirit. God sent the Holy Spirit to teach you all truth and lead believers in Romans eighth chapter, not chapter seven -It's the inability of **flesh**. You will find 35 I's, my's, and me's in Rom. 7th chapter!

Apostle Paul made it clear to everyone that if we follow the Holy Spirit, that would lead to LIFE, & you'll be Sons of God!

When apostles and Jesus was walking out of the temple there, He predicted that the city would collapse. The disciples asked Him, "when will it happen?" He didn't answer their question. Instead, He talked about **Deception** at the End of Time....

If you don't love the truth – more than the world - or love your children or wife- if you love your car **more than** Jesus & if you don't have *works!*

"The coming of the lawless one is by the activity of Satan with all power and false signs & wonders and all wicked deception for those who are persishing, because they refused to **love the truth** and so be saved. Therefore God will send them a strong delusion so they can believe what is false in order that all may condemned who did not **believe the truth** but has pleasure in unrighteousness" 2 Thess.2:9-12

It's hard to believe that God will give you over to delusion. If you don't love the truth, we will discover that God will draw a line in the sand...He will provide everyone -what they **embrace!**

Many believers are embracing LIES now ...not the true Gospel! Jesus warned His disciples this!-Judas didn't take heed!

Inflation makes greed **alright!** Sometimes it's okay. But
