You ARE A World Changer....

You are authorized to by God in Heaven, to change **your** world...

Few respond to this call...but many don't ...because they never *heard* of this call.

"It is engrained in us to do exceptional things for God – but we do not. We have to be *exceptional* in the ordinary things of life, & holy on the ordinary streets among ordinary people – this is not learned in 5 minutes."**1**

This life is like you are in an arena – everyone has eyes on you! Looking for what you are worth. A conformer to this world, or a miracle-worker...? Even the Bible says children reveal their character in Proverbs...

You are significant... your fingerprint proves this! And DNA separates you from entire world...

You were created in God's image...You have mind, emotion, soul, and heart... destined for eternity! He has a plan smf *mission* for your life, according the Bible.**1**

You are a unique person– **find yourself** by *seeking* God and the Saviour of the world!

You were not created to meander thru LIFE. God created you for a purpose...to make a difference in this world. You are not saved **from**...You are saved **for** *your future*

We live in a world that was different when we grew up Jesus foretold this...!

Do you know that this week, we have **five** earthquakes? Three of them went off in the USA- Oregon. Alaska, and western Texas – it affected 350 miles in San Antonio.Tx. They expect another one because they think it's a result of fracking!

Underneath *nuclear plant* in Belgium, a earthquake went off. Indonesia as well!

Jesus foretold earthquakes happen in diverse places at End of Time.

He said too, that'ss be 'rumors of war...' We have Kim Jon Um threatening the USA wotj nuclear war...!

Putin is assaulting in Eudraine, and I read an article that China is preparing for **war**!

We've made them rich over past 20 yrs. They have \$120 trillion and we only a \$89 trillion- We are no longer the richest in the world. And we spending \$ like water, by Design...NWO/UN

It's a turbulent time we live in... God doesn't live in **time**.... He created for us by the Sun and Moon.

"It's all about ME.." The DEVIL made this LIE...He wants you to be self-absorbed all the time...He *wants* you to kill yourself...!

You were made for **people**...to Love people, Care about people, and Serve other people.

Churches are filled with people Sundays and thru the week. But many think they know the REAL God - they are deceived! 'Having the appearance of godliness but denying its power. **Avoid such people.**" **2**

"But faith without works **IS DEAD.**"**3** Recognized church is an impotent and voiceless church...

Jesus said FEW would choose the right door.**4**

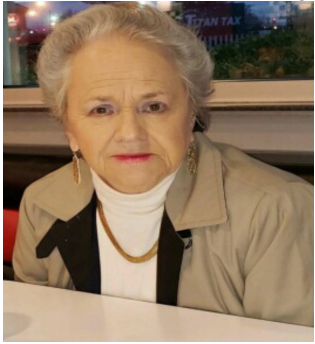

Are you among the FEW...?

"I will never turn away anyone who comes to me."**5**

Feel inadequate...? Me too! I am not worthy of *it all*... But *I'm trusting in God!*

"Hollywood may have it "A-List" celebrities, but heaven does too. Every son and daughter on earth is to be Apostolic – "A Sent One." Our mission for the King.. God picked up a shepherd boy in the fields named David who had a heart for Him & made him a great King. What will God do for you? He has called & chosen you in Christ"**6** to be **SENT** to *change your world*...!!

Who's Who in America

A person's most beautiful asset
is not a head full of
knowledge, but a heart full
of love, an ear ready to
listen and a hand willing to

Where Is Your HOPE....?

Have you noticed, everywhere you look.... perils seem to loom? I don't recall a time when era was more rife with crises than this one! I am reminded of what the Apostle Paul said to Timothy, "*In the last days* perilous times shall come?"⁷ Is this the problem? Our 'times in which we now live?' Some think so... But with everything that seems out of control, is anyone in control? That depends on who you ask.

Does it require faith to have hope...? No, people have hope in many things, including hope itself. They merely coast through life and sort of 'hope' everything works out. I think this is where most people find themselves. I once read that the five most deceptive words in the English language are, *maybe things will get better*. So is this real hope? No. Worldly people place their hope in doctors, political parties, science, mates or family. Truth is, these will ultimately fail us in the end. We are mere mortals, imperfect. We need something beyond ourselves, and until we recognize that, pride will spoil the route to safety and peace.

If the topic is 'hope', where does hope come from...? Apostle Peter clues us in when he says, "Be ready to give account for the hope within you..." So apparently hope is *visible*! And it belongs to those who believe in God's sovereignty! It depends on whether our hope is horizontal - or vertical in God - as to whether we have it. God is the reason for our hope, because He is unchanging. All else is false hope

America is more than a country...it is an 'idea.' Problem? America is less & less a land of ideas! People are resigned to be spoon fed ideas, rather than *think*! Critical thinking and deductive reasoning aren't on the agenda of American colleges! People are often no fresher than the last voice they heard! **Small** minds talk about people. **Average** minds talk about events. **Great** minds talk about ideas! What say you...? All else is false hope! We can RISE to a new level today by choosing to love the **truth** -where hope resides! The Word of God is very REAL...!! I admire Believers who **THINK...**

Surrender your Life to a Good GOD -He's Loved You from the start... before you were born...Give Him praise FOR saving your Life!

Before I Was a Believer in GOD....

**Truth is not only violated by falsehood.
It may be equally outraged by silence.**
Henri Frederic Amiel

I didn't like believers in God when I grew up! I was only associated with rule-makers and preachers in the pulpit who preached Hellfire and lived another life on weekdays...

But when I grow up, I sold real estate, age 23, Two couples who owned a Christian bookstore bought from me and I was in their store once, and I found "The Mark of A Christian" by Dr. Francis Schaeffer.

It changed my mind about REAL Christians. It said *LOVE is the Mark of a Christian...* Dr. Schaeffer was a critic of churches. That's why left St. Louis, Mo. in a big church behind him -to Switzerland and formed La'Bri, (means shelter) for intellectuals all over the world. They lived their house and He taught them the REAL gospel.

I followed him after that exposure, read all his books and I sat at his knees for probably three or four conferences.

I've been a critic of churches ever since then! I **know** the real gospel... I've studied the Bible for over 50# years. .

But God sent me a message about supporting the church.

"We build the church UP." The **REAL Church**. He loves the Church!
