WHAT Is Your Destiny....?

I was sitting in the middle of a mall, waiting for someone, and I overheard two women talking near me. One was telling the other that she loved God... a lovely soul.

A thought occurred to me then. Many people who love God... will not be in heaven - in hell -because they don't obey God. Beautiful people will be there too...not so pretty!

Why did I think that?

I wrote in the last month of November 2022 *You Are A World-Changer*. authorized by God in Heaven to Change **YOUR** world! Heaven or Hell....? It. Is. Your. Destiny! You go to a one or another.

You can choose **ONE**.

Why would you choose hell over a Loving God...? He sent His Son to spare you from *hell*... Because we chose to follow our flesh...

We all think we can manage our lives better than God...

He created you & your very breath belongs to Him! He has a plan for your *Life!*

The Bible has the answer to your deepest longings. The Only One Who can satisfy the heart is the One Who **made it...**! God has a plan for **you...**

I was up at 2am this week and watched 2 hrs. of Hitler's reign affecting the world. It went on and on through the years -5 years- it never seemed to **end**.

The first people knew of the world can't believe Hitler was killing Jews! Millions of them.

It took 2 million Jews to die and 3 *long years* before journalists picked up story. The world was **horrified!** The world could not believe it was true!

Journalists could not stop it though. The video showed bodies in the ditches & trenches with German soldiers guarding them. Corrie ten Boom said it was bodies they burned up-smoldering in the air- It bothered her.

Nations couldn't stop Hitler killing the Jews. It went on for 3+ years! Corrie ten Boom lost her entire family.

Thousands met in D.C. this weekend for March for Life. This was different because this was Post-Roe...

NFL Hall of Famer Tony Dungy stood UP and supported this march while news media and others criticized him! Too many celebrities are afraid to make waves in social media. I respect him dearly for the **innocent babies!**

The world has changed No longer is it horrified at the killing of *innocent* babies- like it was about killing the Jews. Baby-killing is big business as they harvest collagen and organs from dead babies. USA is supporting abortion over the world!

Do you know about DAVOS-it meets yearly in Switzerland. It's the World Economic Forum. Anyone can join but you must have big money ! World leaders, stock market investors and world bankers gather there. The **BANKS** want to change our dollar to digital money... Soon!

The New World Order

is setting the table for the Antichrist-before your own eyes.

ENDTIMES are *Here!*

New World Order (Bankers)is setting the table for the Antichrist before your eyes too!

ENDTIMES are *Here!* You don't see it cause you are involved in the world! Jesus told "It's like Noah's & Lot's day-in the *End of Time!*"

What were they doing *Just living life as usual* Weddings-like they had **a future!** And parties-

We are **HERE** Now! World War II had many nations involved!

70 nations gave to the needs of Ukraine.

US cntributed \$32B dollars-(like we *have* it)

Last week, US sent 32 sophisticated Abrams tanks to Ukraine. A Russian ship equipped with *missiles* is sailing into US waters as a sign of 'warning!'

Since UK, Poland, Israel,Germany,Canada

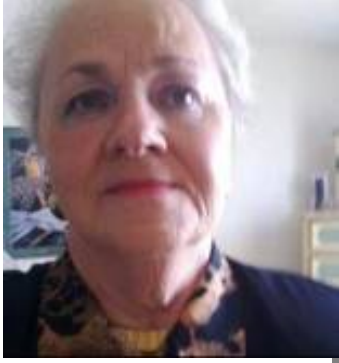

Australia sent armor , it mimics the WW II picture. So what does that say re: WW III...?

Jesus warned people in Matt 24, of the Endtimes-"rumors of of wars." Many other things-signs in the sky UFO-(510 sightings in the last few weels.)

KNOW that you Living in ENDTIMES! **Are you awake?**

The age of Grace is coming to an end! The cost for eternal life with Christ will be much greater in the Tribulation.

You can know peace

Without knowing what Comes next...

The one who reads a newspaper knows what is happening in the world.

The one who reads the Bible knows - WHY'

Don't worry about dying, you will live forever.

All you have to worry about is Location, Location, Location.

Train your boys to be men

Before our enemies train them to be women

YOU Were Born For This ERA... Cont. Pg

Right now! Right here! You were Born with Destiny...

You don't like being born in the Endtimes - You feel cheated and bitter about this ERA? Get over it!

You have suffered all your life! Me TOO...! Mother rejected me as a child and she told me daily.

You have a good life now, and you don't want to give it up? Everyone is tainted with economy (in the future, it gets worse-world bankers want to change \$ for digital), health issues plandemics, SuddenAdult Death, loss of income or business or jobs... Many are sick with wrong diets...!

You have SURE future in Heaven! No tears, sickness or death. If you accept Jesus as Saviour and Repent of your sinful ways... deleting God in your life. Maybe you're living Romans 7th chapter -the inability of self and the flesh! You can find 36 I's, Me's, My's in that chapter.

If you learn to live in Romans Eighth chapter-by the Spirit-life will be full. Effortless-depend on the HOLY SPIRIT...

God the Father gave the church the Holy Spirit on Pentecost...they were Filled with the Spirit and spoke in tongues and preached to a crowd in several languages because foreigners were there!

3000 were saved, repented and baptized - when they saw what God was doing before their eyes...people are attracted when miracles are visible.

Don't be betrayed for miracles because the antichrist will miracles also. And false teachers do miracles.

When Jesus and His disciples were departing the temple, His disciples asked Him a question about the temple! He didn't answer them....He warned about false teachers in the Endtimes. Our future is outlined in Matthew 24

So many are false teachers - many pastors in error - right now! (NAR has these false schools in many cities -even sophisticated Paris). The gov't is complicit in giving students 'grants' to go to these schools. I knew a man attended the same church I did. He attended school in Tampa. He mysteriously died.

If you get to the Golden Gates of Heaven, there may someone(s) waiting for you at the gate! Maybe...

Let me explain.

Murder is illegal over the entire world in every country and nation...! In the Bible as well. If you murder someone... you pay the penalty.

If you pull the lever to murder the unborn babies - and vote for it - you are guilty of murdering the innocent babies... 60+million babies in the United States alone...!

You didn't KNOW that?

You Say - Forgive ME, Lord Jesus, I didn't know what I was doing. Forgive me for ignorance...!

Jesus shed His blood for you on the cross. It's wasted for you, Dear One, if you don't repent. Someone(s) will be waiting for you when you get Heaven's Gate "You can't come into Heaven... without forgiveness." You need forgiveness- God LOVES you!

Irwin Lutzer -When a nation forgets God - 7 lessons we must learn from Nazi Germany. Church was apathetic during World War II. (Had no concern.)

Heard from a German woman during World War II...

A railroad track ran behind our small church and each Sunday morning we could hear the whistle in the distance, and the wheels coming of the tracks. We become disturbed when we heard the cries coming from the train as it passed by. We realize it was carrying Jews like cattle, in the cars. Week after week the whistle would blow. We dreaded to hear the sound of those wheels because we knew that we would the cries of the Jews enroute to the death camp. Their screams tormented us. We knew the time the train & coming and when we hear the whistle blow, we began singing hymns. By the times the train came past out church, we were singing at the top of our voices. In fact, we sang so loud that we heard their screams no more.

Years have passed and no one talks about it anymore. But I still hear that train whistle in my sleep. "God forgive me. Forgive all of us who call ourselves Christians and yet, did nothing to intervene."

We cannot remain silent about the moral issue of today. To DO is not cowardly but complicit in the evil.

Speak out for righteousness in our nation. DECLARE THE TRUTH!

EU Parliament marks International Holocaust Remembrance Day on January 27, 2023. "We must never rest; we must never forget." They don't even remember millions of babies...
