Governor Ron DeSantis Has Clout...!!!

I'm concerned about the future of America. Four issues.... Digital Currency, aliens electric cars....and Elon Musk.

The president -without Congress- announces the failure of the **dollar** this summer. His administration has digital currency coming in. 110 Banks have signed up.... *probably your Bank..!*

Probably a minimum of people understand it! People will be shocked if they don't know about it. It's coming in this year, before May 2024. WHO (World Health Org. is taking over in May 2024 united with United Nation.

Already China and UK and South America have digital currency – **failure of the dollar...!**

A New World Order approves of this! Deep State too. They are setting the table for the Antichrist....

Goal of New World Order. **One** gov't; **One** religion; **One** economy.

(Rick Warren made one religion **Chrislam** with four Imans in LA . It's a combination of Islam & Christianity. The Pope made a covenant with great Iman-He *traveled* to the Iman. I saw a picture of Pope and Iman.)

Pope signed the covenant along with Ken Copeland, James Robinson and V.P. Mike Pence- signed 3 yrs ago –Donald Trump Approval.

We're in the Endtimes!
If you don't SEE it...
You have eyes SHUT!!!
You are distracted w/
news, phones, etc. 6 corps
own the MEDIA! They
say the same things.

Gov. Ron DeSantis put a wrench in digital currency. Florida's legislation says – no digital currency here.

These states –La, Texas, Al, and ND are drafting bills opposing digital currency...

Florida is a **fourth wealthiest** state. Gov. DeSantis has **clout...!** Define clout: "Influence or power, especially in politics or business."

Aliens are prevailing in the News. 3 Military officials in July testifying before Congress.

Military officials told Congress that they believe the gov't knows much more about UFOs than it us telling the public.

A House Oversight subcommittee held a hearing on UFOs-officially as unidentified aerial phenomina and hear mystifying testimony about unexplained object sighting and gov't possession of "nonhuman" biological matter...It raised nat'l security questions...

Federal gov't is endeavoring to conceal key UFO related info from the public "UFOs ...may pose a serious threat to our military or civilian aircraft."

On the other side is Jack Hibbs, an evangelical preacher. People who think UFOs are *friendly* and will help us in technology!

Whistleblower says Congress is concealing 'multi-decade' program that captures UFOs.

You need to view Jack Hibbs - *Daze of Decption* on YouTube with his *perspective...!* Two Part series.

That's because aliens are *fallen angels... and demons!* They can disappear, no wings, no structure before your *own* eyes!

Do you know CRT-means? ClergyResponseTeam. They are trained by the gov't **in a crisis:** "Let every person be subject to the governing authorities" according to Rom. 13.

But Peter said Acts 5:29: "We **obey God** instead of **men.**"

I'm concerned regarding the 3 Power Grids in USA!

Biden & Buttigieg want electric cars *instead* gasoline cars!

Largest US Grid Declares Emergency Alert for July 27, 2023 in 13 states in Eastern USA over the heat wave. Owners of Tesla never mention **Power Grids!** Power Grids are **LOADED!**

This brings me to Elon Musk! *Tesla data breach affects 75,735 people!* Last week *Maine state AG, along with the fact that electric cars can **explode** on the road!*

I thought Elon Musk was a *innovator*. But I rethought he is an *heretic!* He's also *pushing* "Artificial" Intelligence. I say it's *artificial* -you can talk to evil spirits...!

Biden gave Taliban **\$87 Billion** weapons in Afghanistan, while destroying our oil, coal and gas, encouraging immigrant invasion of our own country! Biden is ruining USA *while you're SILENT...!*

Whos Who in America!

Two terrifying things about
Digital Currency:
1. Your bank account can
be frozen at any time!
2. Every cent will be
tracked!

False Prophets[®]
Are like Drug
Dealers, They make
You feel
Good while
Destroying You!

Don't worry about dying,
you will live forever.

All you have to worry
about is Location,
Location, Location.

Church people don't know about *another* Jesus. Pastors don't talk about *another* Jesus. They don't talk about fake teachers and false believer...!

New doctrine? Nothing new. It's old when the Bible written...!

Many believers don't know what the Bible says....They don't read the Bible. They are *spoon fed*...!

But Apostle Paul stressed about it 2 Cor. 11:1-16....

In verse 3, "But I'm afraid that the serpent deceived Eve by his cunning, your thoughts will be led astray from a **sincere** and **pure devotion** in Christ."

"....For if someone comes and proclaims **another** Jesus than the one we proclaimed, or it you receive a **different** spirit from the one you received, or if you accept a **different** gospel from the one you accepted... you put up with **it** readily enough."¹

Later in the chapter, Paul said "...and even Satan disguises as an **angel of Light**."²

After 29 exhaustive chapters to the Corinthian church....teaching about whatever he teaches...Apostle Paul said this: "*Examine yourselves, to see if whether in the faith*..."³

Because fake teachers out there in the USA.... whether you recognize the fake teachers?!? Ken Copeland signed the Chrislam Covenant (Islam/ Christian) with the Pope. James Robison signed it. VP Mike Pence signed it 3 yrs ago with approval President Donald Trump!...

They are **Everywhere**...!!!
Fierce wolves in sheep's clothing!
Pastors TOO...! Fake believers right next you on the pew!

I made an devotional of Proverbs – 31 chapters there - for 3 or 4 years, reading one chapter a day. I gained wisdom and knowledge....

I was sitting in my realtor desk, "Why is not *understanding* come to me?" I know Knowledge is "WHAT" Wisdom is "HOW".... But I don't understand **understanding**...!

I dreamed at the time, I was Buyer for the house I'm building

I ordered the roof lumber, by the book.... I didn't *understand* what I ordered...!

When I arrived to building I built, I **understood** the roof.... I saw **WHY** they built hurricanes safety and understood *what* I ordered....

Knowledge is "WHAT"
Wisdom is "HOW"
Understanding "WHY"
Discretion "WHATtoDo/WHEN"

I recommend studying Proverbs! Proverbs 1:33 says: "But whoever listens to me will dwell secure and will be at ease, *without* of **dread of disaster**."

Wisdom is the principal
thing; therefore get wisdom:
and with all thy getting get
understanding.

Proverbs 4:7

You were **BORN** for **this ERA**!

"O you who love the LORD,
hate evil..."⁵

"The *fear of the LORD* is to **hate evil**: pride, and arrogance, and the evil way, and the forward mouth. **DO I HATE**..."⁶

Proverbs 8th chapter building **wisdom**...! **WISE** to **hate Evil**!

A God of LOVE...?!?

A God of JUSTICE...!!!

God is Spirit. Word is Truth. God is Love -He Loves you, Dear One! He has a **plan** for your LIFE!

Jesus said, "I am the Way, the Truth, and the Life. No one comes to the Father except thru ME."⁴ **Was He a LIAR**?

Embrace the LOVE of God!
Dear God, I know I'm a sinner. I ask for your forgiveness. I believe Jesus Christ is Your Son. I believe He dies for me & follow Him as Lord, from this day forward.

In the Name of Jesus. Amen
